Hello Everyone:

About 25 singles enjoyed the corn roast, eating corn, potatoes, hot dogs, tomatoes and watermelon. A special thanks goes out to Shirley Bankes for the hard work that she did. Helen Devine also helped. We had several people who had not come to our events before. After eating, some people enjoyed playing ping pong, while others played table games.

I was fearful that the turnout would be low because of the weather, we had heavy rain in the morning on Sunday, but after the rain, the weather cleared and it was quite nice for the rest of the day.

On another note, remember the Fall retreat, October 7-9, 2011. We have two psychologists from Michigan who are going to be the speakers. They are going to speak on issues that concern single people. Also, their daughter will be there to do signing in American Sign Language.

Please plan on participating in a Talent Show on the Saturday Night of the retreat. Come to the retreat, and encourage any singles that you know to come also. I am also going to reduce the fees for the retreat which I hope will enable more people to attend.

I have also sent e-mail messages to some of the Conferences in states surrounding the Chesapeake Conference and am hoping that singles from those states will come.

Fred Thomas
