Letter from Fred Thomas, President

We had a good retreat with Nikolaus Satelmajer as speaker. Nik spoke about characters in the Bible and related their experiences to experiences that we have in our lives today. He also told of experiences that he had as a child in eastern Europe and in a concentration camp. When he was about twelve years old he and his family came to the United States and settled in Richmond VA. Nik is an interesting speaker and has a wealth of knowledge to share.

Forest Randall provided an interesting and challenging lesson study on witnessing. He related personal experiences that he had in witnessing at his work place in the Federal Government.

The weather cooperated and was nice most of the time, with a shower later in the afternoon and evening. We had 38 people who enjoyed a good lunch at the camp on Sabbath.

Our next event will be the potluck lunch at camp meeting time. This year we will do as we did last year and meet at the Fleagle Pavilion. The pavilion is located at the corner of Crystal Falls Rd and Mt. Aetna Rd. We will go there directly after the morning meeting. Please bring food to share. Eating utensils and drinks will be provided.

We have tentative plans to have a corn roast at the Bankes' house in August. Please watch for further details.

Fred Thomas

Chesapeake Conference Singles Spring Retreat - Sabbath School Mission Report

On behalf of MissionServ International and all people who will benefit by the HOPE Building program in Brazil, I want to thank everyone who contributed financially at our retreat at Mount Aetna. The offering totaled $525.50 and certainly will be a blessing to our 12 chapels being built in 2012.

Chapel number 1 is located in the township of Pedro Regis, NE of Brazil and is well advanced. Pictures below were taken during the week of April 21-26, 2012. This chapel is scheduled to be inaugurated on the second weekend of May, God willing. The retreat collection will be used to purchase the main entrance door and two front windows.

Please keep our chapel building project in your prayers as well as our upcoming Lay Evangelism and Building Volunteer Mission Trip - November 2-17, 2012. Lay preachers, interpreters into Portuguese, and anyone willing to lend a hand in our ECO-LEIGO interlocking building system are needed!
