Hello Everyone,

Twelve people braved the winter weather and came to enjoy the Valentine Potluck. Actually the roads were not really bad, but I suspect that some people stayed away because of the weather. We had our meal and then went into the chapel. There Forest Randall provided the entertainment with humorous slides of cartoons depicting various aspects of love and romance. After the slides, we watched a video of a woman who was in love with one man, and then met someone else who she liked better and later married him. A short time into their marriage, the man was diagnosed with leukemia and had to have treatment. The woman stayed with him all through the treatments, and they decided that whatever life would bring them they would still love each other. A big thank you to Forest Randall and Shirley and Howard Bankes for their help with our Valentine Party.

Our next event will be the "Film Night" also at the Conference office. We will provide pizza and drink. Please plan to come.

I hope that many of you will plan to attend the Spring Retreat. If you plan to attend, please send in the retreat form with your check as soon as possible. Lorraine Edwards, who has a degree in Social Work and is also single, will be our speaker. She can speak from the experience of being single and the challenges that a single person faces.

Please continue to pray for the leaders of our nation and our church, that the Lord will guide them into doing His will. These are difficult times for our leaders.

Fred Thomas
