The Adventist Theological Society (www.atsjats.org) invites Seventh-day Adventist scholars (including graduate students in biblical and theological areas) to participate in a Spring Symposium, which will be held April 18 - April 20, 2013, at Loma Linda University, Loma Linda, California. Further information regarding travel and lodging arrangements may be found soon on our website (www.atsjats.org).

THEME
The theme of our Symposium for 2013 is the Christian Doctrine of the Atonement. Proposals may approach the topic from biblical, theological, historical, missiological, or practical angles, taking into account the ATS commitment to founding doctrines within the context of Sola Scriptura.

HOW TO SUBMIT A PAPER PROPOSAL
Please submit your paper proposal by email (attachments can be Word or pdf) to Dr. Tom Shepherd at trs@andrews.edu.

The proposal should include an abstract (100-200 words) summarizing your main thesis and trajectory of argumentation. Include in the proposal your paper title, your full name, institution, mailing address, and email address.

If your paper is accepted, we will send you more information regarding scheduling and location when these details are settled. ATS does not have funds to assist presenters with travel expenses. Submission of a proposal does not guarantee acceptance.

Decisions on proposals will be made by January 31, 2013, and all individuals submitting proposals will be informed.
