Friend, Divine Appointments—your Amazing Facts 2013 Annual Report—is finally here!
Dear Friend,

I am so pleased to share with you your digital copy of the Amazing Facts 2013 President’s Report.

You’ve played such an integral part in setting up a myriad of divine appointments this past year between Amazing Facts and the thousands upon thousands of lives changed through the knowledge and grace of Jesus Christ. I am truly humbled by your generosity!

It is my hope that this report not only blesses you, but also helps you clearly see that the sacrificial support you give to Amazing Facts makes an eternal impact for God's kingdom!

God bless you,

Pastor Doug Batchelor
BE READY FOR EVERY GOOD WORK.

—Titus 3:1 NKJV
I was alone in New York City. I had no money and needed a place to spend the night. Out of the eight million people surrounding me, I could only think of one friend to contact, a close buddy named David MacLean.

This was before the days of cell phones, so I stepped into one of those old glass phone booths and flipped open the massive phone book.

When I came to the M section, I slumped down, discouraged. There were at least 100 MacLeans in NYC! I couldn’t call them all and didn’t know what to do. Then something amazing happened. I glanced up and saw David walk right by the phone booth.

Have you ever experienced a divine appointment? I suspect you have!

A divine appointment happens when you meet someone in a way that has clearly been arranged by God.

Throughout my life, whether flying, hitchhiking across the country as a teenager, or in a hotel lobby, the Lord has frequently brought people across my pathway I could help, or who could help me, at just the right time.

When God makes heavenly appointments for you, are you ready? When the Holy Spirit nudges you to share your faith with a stranger, do you panic? We’ve all blundered and missed opportunities, but how sweet it is to be prepared to tell others about Christ.

Amazing Facts firmly believes in God-led engagements. We’re dedicated to not only boldly proclaiming the gospel through a variety of ministry avenues in these last days, but it is also our mission to equip others to “be ready always to give an answer” (1 Peter 3:15).

God has arranged many divine appointments for Amazing Facts. We are excited to share how the Lord has led this past year. And we look forward to the opportunities He’s providing in this coming year.

Thank you for being a strong partner. Together, by God’s grace, we will be ready for every divine appointment He brings us!

Pastor Doug Batchelor
President, Amazing Facts

P.S. Would you do me a favor? Amazing Facts is always looking for new partners in ministry. When you are finished reading this President’s Report, ask God to impress you to share it with someone who can join us in fulfilling divine appointments. Thank you!
I first saw Amazing Facts on television and then visited your website. I watched the testimony of Pastor Doug’s life and a sermon. Then I enrolled in the online Bible School and found answers to so many questions I’ve had my entire life. I now believe the Word of God contains the very answers that I have sought. Amazing Facts helped me understand heaven, the afterlife, and the end-times.

Some people misquote the Bible, and it has confused me, but now I study for myself with Pastor Doug’s guidance. Throughout the day, I think about what I’m learning and look forward to my next lesson. I am grateful to have found this ministry. I have prayed so often for a way to understand the Bible. Amazing Facts is an answer to that prayer. Thank you, Amazing Facts!

Not an Accident

“Early one morning, when my husband couldn’t sleep, he was flipping through the TV channels and ran across Amazing Facts. He liked Pastor Doug and recorded the program so I could hear him too. I had been studying the Ten Commandments and puzzled over the fourth commandment. A couple days later, I sat down and listened to Pastor Doug preach on the Sabbath. I was so convicted that my husband and I pulled out the phonebook and found a local Sabbathkeeping church to attend. Later, [Amazing Facts evangelist] Jason Morgan conducted a prophecy seminar and I was baptized. I am so grateful for how Amazing Facts TV led me to the truth.” —Peggy T.

Now I want to share the good news where I live. Amazing Facts is one of the best organizations in helping people spread the gospel. AFCOE has helped me learn more about how to give dynamic Bible studies to people in our world.”

These are the most amazing sermons I’ve ever heard. I never cry in church, but I just can’t help but shed tears while listening to the truths preached by Pastor Doug. I recently have discovered the Sabbath and now keep God’s holy day every week.”

The “Accidental” Appointment

"After two serious losses in our family, God brought some Amazing Facts Bible Study Guides to our home in a most unusual way. Two men mistakenly dropped off the studies at our home for a few weeks instead of to the home the next block down. I read the lessons and they ignited my interest in the Bible. The men never came back, but I discovered amazingfacts.org and the rest of the lessons online. My husband and I eventually found a Sabbath-keeping church and were baptized. I don't think it was an accident that we received those lessons."

—Sue S.
