We regret to announce the passing of Roger W. Coon, Ph.D. who served his church for more than a half-century. He is best-known for his work in theological education, having co-founded the West Africa Adventist Seminary, as well as teaching courses on 33 campuses of the 87 institutions of SDA higher education worldwide. Dr. Coon also served as Associate Director of the White Estate for 12 years until his retirement in 1993. Through the years, he was an avid supporter and close friend of American Christian Ministries. As an ambassador for Christ, he lives on through the lives he has touched--also through the recorded presentations listed below that will impact your life as well.

"Blessed are the dead who die in the Lord...that they may rest from their labors and their works do follow them."
