How important is the study of Sanctuary truths for today's Christians?

"The subject of the Sanctuary and the investigative judgment should be clearly understood by the people of God...otherwise it will be impossible for them to exercise the faith which is essential at this time. "It is of the utmost importance that all should thoroughly investigate these subjects, and be able to give an answer to everyone that asketh them a reason of the hope that is in them."  EGW Great Controversy 488,489
