Explore the fascinating world of Bible Prophecy

This exciting seminar will unveil the mysteries of the ancient book of Revelation

The main speaker, Evangelist Henry Dering, will study with us the timeline of world events and offer insight into understanding end-time prophecies

See the unfolding drama of the ages—the conflict between Christ and Satan that runs like an unbroken thread from Genesis to Revelation. When we see the cross of Calvary as the central focus of that conflict, we will understand our part in the closing scenes. This unique seminar will reveal fascinating and timely truths now unfolding from the entire Bible, especially the Book of Revelation.
