Breath of Life

Dear Friends and Supporters of Breath of Life:

We have just completed our fourth evangelistic revival this year, which was held on the beautiful island of Bermuda! God blessed us in this most recent revival with 51 persons baptized in the first baptism, and additional 42 scheduled for the next baptism – totaling 93 baptisms as a result of this Breath of Life evangelistic effort! This brings our documented total of baptisms from January through July, 2013 to nearly 400 individuals as campaigns have been conducted in Los Angeles, CA; Huntsville, AL; Bronx, NY; and Bermuda, coupled with preaching appointments both nationally and internationally! Praise be to God! You will notice that I said "documented total" because this number does not include those persons who have been baptized indirectly through the television, internet streaming, or Bible Study ministry of Breath of Life.

We set as a goal 1,000 baptisms for 2013, and we’re nearly halfway there! Remember, our primary mission at Breath of Life is to present the everlasting gospel of Jesus Christ with the goal of men, women, boys, and girls coming into a saving relationship with Him! We want to tear down the kingdom of Satan, and populate the kingdom of God! That’s our mission, and that’s our purpose! As we look to the fall, our sights and attentions will focus on Huntsville, AL where we will have a special "Back to School Revival," which will also feature the music ministry of gospel artist, Tamela Mann (see advertisement below), and later Palm Beach County, FL, where we are already praying for the mighty move of God in this territory for our Fall Public Evangelistic Campaign.

In addition to our Breath of Life Revivals, God has granted us the privilege of sharing our preaching ministry at five Campmeetings across the United States this summer. One of these Campmeetings was the Western Korean Campmeeting on the campus of Pacific Union College in Angwin, CA. What a powerful experience this was! Although a Korean translator was needed to share the sermons in the attendees’ native language, the Word of God still went forth and individuals surrendered their lives to Jesus! Hallelujah!

When we consider the condition of our world, we can truly say, “Even so come, Lord Jesus.” Yet, we have to do our part in expediting His coming. We must tell a dying world that Jesus saves! I
appeal to you to join Breath of Life in this soul-saving mission. You may not be able to physically join us in these different cities, but you can pray with us and for us. Join us each Wednesday at 12:00 Noon EST (11:00 am CST, 10:00 am MST, and 9:00 am PST) on the Breath of Life Conference Call Prayer Line for 15 minutes as yours truly leads a special prayer initiative. The dial-in number is 712.432.0075, and the access code is 234058. Remember, with “much prayer, there’s much power!”

Additionally, we need your donations to help keep the Breath of Life ministry alive! Our weekly television broadcasts, revivals, preaching rallies, the internet streaming ministry, and Bible Studies are all dependent upon your prayers and financial gifts. Every donation, large and small, truly helps. Please support our ministry today with your donations via online at www.breathoflife.tv, or kindly mail them to:
