CALLED Spouses Meetings: Interesting and Inspiring Experiences Await You!

By Donna Jackson

Imagine walking into a huge room - approximately 200 feet long and 150 feet wide - filled with over 1200 ministerial spouses from the tropical islands of Guam and Micronesia to Bermuda and from every province in Canada and every state in U.S.A. plus various other countries. Imagine the collective spiritual dynamo of praying in unity together to our magnificent God Who invites us to seek Him!

One of the several unique and inspirational experiences planned for the Spouses' general sessions will be a fun 'Ministry Expo'. This expo will be like wandering through a festive market where the sights, sounds and colors beckon! Actually, 36 activity stations will beckon - each featuring a different kind of ministry carried out by ministerial spouses within the NAD. At each station, attendees will be drawn into an approximate eight minute interactive experience before moving on to another activity station.

When asked what is the purpose of the expo, Donna Jackson, NAD Ministerial Spouse Leader, stated that it was threefold: "To showcase a portion of the rich variety of ministries engaged in by NAD spouses, to give a better understanding of and
compassion for the people who these ministries target, and to stimulate the flow of even more creative juices for ministry!"

P.S. **If you haven't registered yet**, there's still time before April 1 when the registration goes up $30 per person. There's still more room left in the Spouses meeting room - and it's for you!
