ECONOMIC IMPACT STUDY

✦ An economic impact study summary about Union College was presented on Jan. 12 by Dr. Ernie Goss, leading regional economist, at the Lincoln Country Club. More than 60 leaders of the Lincoln business community including Mayor Colleen Seng, Lincoln City Council members and representatives from Union’s Board of Trustees were present. Some of the study’s demographic details were collected by Barry Forbes’ Marketing Research class.

   To learn more about the study check out the news item in the lower right side of Union’s home page.

Economic impact highlights include:
  • Spending by Union College adds nearly $40 million to the state economy.
  • Union is in the top 97th percentile of Lancaster County’s employers in terms of jobs and payroll.
  • More than 80 percent of Union students originate from outside Nebraska and approximately 1 in 5 of these students choose to stay in the state after graduation. This “brain gain” is of great economic value to the city and state.

KUDOS
✦ Thank you very much for the retirement reception. It was so nice and I really appreciated everyone who came to wish me well. The memory book was such a surprise and, believe me, will be treasured. Your support and kindness to me through the years have been blessings beyond what words can express. God has been good to us. I truly will miss working with each of you.

You will be in my prayers,
—Eldina Blue

✦ SHARE winners are Joe Allison for the most cards written and Judy Joiner for the most received.

✦ On Jan. 8, Union College hosted a luncheon for TeamMates, a school-based mentoring program. More than 90 TeamMates guests attended including Union’s education faculty and Congressman Tom Osborne with his wife, Nancy. Special thanks to Somsri Chollett and the Dining Services staff, Tom Becker, Keith Riese, LuAnn Davis and Sharon Russell for their excellent efforts in making the event a success.

✦ Liberty Mutual, the property insurance carrier, inspected the campus on Dec. 1. The final report submitted on Dec. 15 had the glowing news, “No new recommendations!” Don Murray and his crew are to be commended on maintaining the campus in such an excellent manner.

CAMPUS TRIVIA
✦ Q: In the winter of 1937-1938, what ocean was the chairman of the Union College board crossing when he read in the newspaper about an unusual ski jump on the Union College campus?

A: The chairman was crossing the Atlantic Ocean when he read about the 40-foot long student-constructed ski jump starting from above the powerhouse. Boys had cleared a dumping area, fixed steel cables and created scaffolding to stabilize the slide before snow arrived. They enjoyed their creation for one winter with newspapers widely reporting the unusual Nebraskan activity. Einar Haugen, son of Anders Haugen, the American Olympics ski team captain (1924 and 1928), helped lead the project.

✦ Q: Where did Union’s school song, “Slinga de Ink” come from?
