Is Time Running Out?

**Scientists and Prominent Men Proclaim Doom**

By D. J. HANDYSIDES, Pastor College Park Church, Oshawa

Who has not seen these men with large placards bearing the words "End of World", "Prepare to Meet Thy God," these proverbial eccentrics, these persons termed slightly mad, self-appointed prophets of doom? I have seen them in Hyde Park, in England; I have seen them in Times Square, New York; they are to be found in Paris; in fact in almost every capital of the world these peculiar individuals can be found. Usually they are dressed in strange garb — I remember one draped in a British Union Jack; others go about in blankets, and usually wear sandals with their toes peeping through. Their hair often appears to be electrically shocked, and the wildness of their eyes puts them into a class as ALMOST INSANE. But a very unusual thing is taking place in this twentieth century — a strange yet positive change has come.

Men for generations have been talking about the end of the world and the return of Jesus. The early pagan persecutions brought with it the expectancy of THE END. The rise of the Papacy and the terrible deeds that were done in the name of religion—made the medieval world fervently expect the END. The terrible Black Death in Europe was heralded as the *End of Civilization*. Mechanized Warfare seemed to declare — THIS IS THE END. The Industrial Revolution with its myriads of inventions gave to the Adventist people much sermon material. And all Seventh-day Adventists know well the story of William Miller and his great discovery of the prophecy of the 2,300 days which brought us to the date 1844.

Adventists of 1844 were ridiculed and mocked when Christ did not appear — and it was not until the book of Revelation was studied, and the Little Book of chapter 10 was rightly understood that Seventh-day Adventists could hold their heads up high with a mission that would finish the work of God in the world.

**Scientists and Prominent Men  
Now Replace the Eccentrics in Proclaiming Doom**

But now let us look at the changing scene of those who would be prophets-of-doom. No longer do we look for the eccentric figure but we see such men as Dr. George Wald, Nobel Prize Winner and professor of Biochemistry at Harvard saying — "*Civilization will end within fifteen to thirty years unless immediate action is taken against problems now facing mankind, especially pollution, over population and the possibility of nuclear warfare.*" Dr. Herbert F. York, chief scientist of the Pentagon — "*Unless the NATIONS AGREE TO AN ARMS ROLLBACK OUR CIVILIZATION IS DOOMED.*" It was General Eisenhower, who, when given the

latest development of the Atomic Bombs said: "*Science seems ready to confer upon us, as its final gift, the power to erase human life from this planet.*" The Late Secretary General of the U.N., U. Thant wrote: "*The Problems will have reached such staggering proportions that they will be beyond our capacity to control.*" He gave only ten years to the world. Dr. W. H. Pickering, of The Jet Propulsion Laboratory writes of the time-period needed to destroy the world: "*In half an hour the East and the West could destroy civilization.*"

Christ Jesus our Lord when speaking of the time of trouble facing the world tells us: "*Except those days be shortened . . . there shall no flesh be saved, but for the elect's sake those days shall be shortened.*" The tribulation of the LAST DAYS will be worse than any time before experienced by the human family. "*A time of trouble such as never was since there was a nation.*"

In my mind, 1945 stands out as one of the most significant years in human history for it was in that year that an American bomber flying at a great height flew over the cities of Hiroshima and Nagasaki, and dropped the atomic bombs that blasted the populations of two cities out of existence. Before that date — man did not possess the *means to destroy this planet and its civilizations*. Today, the nations who are in the Nuclear Weapon Club, could literally destroy every man, woman, and child, together with all living animals in the space of half-an-hour. In point of fact, they could over kill not five times nor ten times, but the stock pile of Nuclear Weaponry could destroy this planet 150 times over.

The MIRV — THE MULTIPLE, INDEPENDENTLY TARGETED RE-ENTRY VEHICLES, have the deadly potential that has gone beyond the nightmarish dreams of mankind. Each missile has ten or more war heads — and each warhead can be directed with unerring precision unto the target area. Each warhead could obliterate a city of a MILLION PERSONS.

What a marvellous Truth we possess — "*He that dwelleth in the secret place of the most High, shall abide under the shadow of the Almighty.*" THE END IS UPON US — But let us read prayerfully and carefully the 18th verse of the 11th Chapter of Revelation: "*And the nations were angry and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldst give reward unto thy servants the prophets, and to them that fear thy name, small and great: AND SHOULDEST DESTROY THEM THAT DESTROY THE EARTH.*"

Zephaniah 1:14 — the end of that chapter tells us of the

Terrible terror of that day — declaring that our *silver and gold will be of little value*, and then in Chapter 2: He tells us, "*Gather yourselves together, yea gather together, O nation not desired. . . . Before the decree bring forth, before the day pass as the chaff, before the fierce anger of the Lord come upon*

you, before the **DAY OF THE LORD'S ANGER COME UPON YOU . . . Seek ye the Lord.**"

We have time for business, for pleasure, for frivolous things — But how much time have we for **THE END THAT IS UPON US?**

### CAN YOU HELP?

Do you remember Mrs. Percy Snook (nee Mabel Hillyard) or Godfrey Maurer? If you joined the church through the work of either one would you please write to our Canadian denominational historian:

Mr. Ernest Monteith

*It is rather easy to befriend those who are accepted by society. But those who need our help are the ones who are rejected. Jesus chose to sit with the publican, the sinner, the scorned, because they knew their need. Wealth, popularity, and security often tend to make a person feel little need for God. Perhaps this is because man has a habit of viewing himself as one who is fairly well off. Matt. 19:16-26. This state of mind is dangerous because the Bible clearly says that man is lawless and there is nothing good in him. Rom. 3:23; Isa. 64:6.*

*We, as disciples of Christ, are called to minister to all regardless of class, creed, or color. God needs men who are not afraid for their reputation to walk as Jesus walked among men in need. We have a source from which we can draw which can make us lovable and loving Christians. 1 Cor. 13. We are to be the lights in a dark world, giving hope and bringing peace to fearful hearts.*

*The Christian should be concerned only that he feed on the Living Bread and grow continually into the fullness of Christ. John 6:48-51. Other than this, the Christian is called upon to be open and friendly to all men just as his Lord so clearly demonstrated at the feast in Matthew's house. See The Desire of Ages, pages 272-280.*

# Newfoundland — South West Pond Gets New Camp Meeting Auditorium

By R. A. MATTHEWS, *President, Newfoundland Conference*

May 22 and 23 — a bulldozer moved in and prepared the foundation for building. May 25, nine ministers and laymen from Deer Lake and St. John's placed forms for cement foundation, by night one-half of the foundation was poured.

May 26 — foundations were finished and first section of walls erected.

May 27 — a crew was at work nailing and gluing rafter trusses and sawing out rafters.

May 28 — first trusses were put in place and roof over the platform end of building was framed in and covered with plywood.

May 29 — one-half of trusses were in place and supported with plywood covering. Thursday afternoon of May 29, was lost because of heavy rain.

May 30 — all but eight of the trusses were in place and covered in with plywood and the walls for the Book and Bible House and for the food store were erected.

June 1—reinforcements came from St. John's and from Bay Roberts. The remaining trusses were put in place and the roof was completely boarded in ready for the roof covering.

June 2 — the remaining walls were erected around the Book and Bible House. The rafters were put in place and covered over ready for the roofing.

June 3 — the floors were installed in the back part of the

auditorium and the platform and anterooms were finished at each end of the platform.

At the writing of this article the building is ready for use with the exception of having the roof covering put on and the windows installed.

The believers in Newfoundland are looking forward to another good Camp Meeting at Southwest Pond. Last year was the first year for the Camp Meeting on the campgrounds. It proved to be a very fine Camp Meeting. Our believers really appreciated it and were unanimous in saying "Let's never go back to the City for a Camp Meeting." "Let's always have it here on the campgrounds."

This year a longer program is planned. The opening meeting will be Wednesday evening August 6th, when the Voice of Prophecy group composed of Kenneth Richards, Del Delker, and Calvin Taylor will conduct the opening service. The members are looking forward to this meeting.

As last year, meals will be served from the cafeteria throughout the Camp Meeting. Cabin space is still limited but there will be plenty of space for people to pitch their own tents, park their tent trailers, vans, caravans or whatever it might be that they bring with them.

May the Lord richly bless the Camp Meeting program at South West Pond this year.

### The Moncton Church Bids Farewell To Six Families

It is hard to say good-bye to friends and the Moncton Church found it even harder to say good-bye to six families who are moving to other areas of Canada and to Mexico.

On Sunday evening, May 25, approximately eighty members and friends met to partake of a buffet supper and to wish them farewell. Each family was presented with a silver tray, engraved with the map of New Brunswick and the words, Moncton, N.B. The trays were presented by Pastor Patrick Boyle and Head Elder, Alan Reeves.

Those leaving were: Elder and Mrs. Cliff Patterson and daughter, Sandra. Elder Patterson, who has been the Secretary-treasurer for the Maritime Conference has assumed the duties of Business Manager for Canadian Union College, Lacombe, Alberta.

Pastor and Mrs. Donald Corkum and children, Sherry, Rhonda and Brian who are moving to Edmonton, Alberta where he will be Pastor of the South Church. Elder Corkum has been the Maritime Conference Evangelist.

Mr. and Mrs. Gerald Gamblyn and daughter, Elisa, who have moved to Perth, N.B.

Mr. and Mrs. Wayne Bullock and children, Judy, John, Janice and James. Wayne has accepted the post of Literature Evangelist for the Alberta Conference.

Mr. and Mrs. Cliff Wilson, teachers in the Riverdale Seventh-day Adventist School, are moving to Bella Coola, B.C. where Cliff will be teacher in the Mission Church School.

Doctor and Mrs. Larry Foster — Doctor Foster has been interning for the past year in the Moncton Hospital and they are leaving for Mexico where Larry will be doing a year's

### Moncton Church Reaches Out

Pictured are some of the participants in the Sabbath afternoon pot luck dinner held recently at the Riverdale Seventh-day Adventist Church.

The past month has been a busy one for the Moncton Seventh-day Adventist Church. Under the guidance of Pastor Patrick Boyle the church has expanded its witnessing into many new areas and continued with some of its more successful programs from previous years.

Pastor Boyle conducted a series of Sunday night meetings in which the public was invited to participate. The series was Christ centered and brought a real interest to all those who participated. A

slide presentation on archaeology in the Middle East was conducted each evening of the series and was enjoyed by all.

Members of the church have opened up their homes to reach out to folk interested in the gospel. The programs have been directed by the Pastor and Cliff Patterson, Secretary-treasurer of the Maritime Conference. The program has had a spiritual uplifting to all those involved in the different home study groups, and has brought us into contact

with many people interested in knowing of the love of Christ.

A successful Five-day-non-Smoking Plan just completed in the City saw fifty-six people complete the program which was directed by program co-ordinator Ralph Dael and conducted by Drs. H. Brace, D. Geldart and L. Foster. These folk were assisted in the project by many of the other church members who helped by distributing literature, helping with registration and a host of other details that helped the program move along smoothly.

The church members have also embarked upon an extensive literature distribution campaign throughout the city placing magazines in shops, laundromats, and church-sponsored magazine racks throughout the city. This program is headed by Jerry Connell, lay-activities director for the church.

The Moncton Church has also begun a Sabbath afternoon pot-luck dinner for members and their guests. The dinner is held once a month at the new church school.

## Child Dedication in Moncton

By LADD DUNFIELD, *PR Secretary*

It was with glad hearts that the entire congregation of the Moncton Seventh-day Adventist Church were able to participate in the dedication of Kimberly Symonds to the Lord on April 19, 1975.

Pastor Patrick Boyle read the dedication with the child's family responding and finally the Church Family responding in unison pledged themselves to support the Symonds family in the rearing of their child in the church. Kimberly is the daughter of Arthur and Ethel Symonds of Rexton, New Brunswick where Art works as a teacher at the Big Cove Indian Reservation.

The Symonds have one other child, William.

## Quebec — Westmount Stages Vegetarian Smorgasbord

By YVONNE A. ANDERSON, *Communication Secretary, Westmount Church, Quebec*

The Vegetarian Smorgasbord held at the Westmount Seventh-day Adventist Church was the direct result of nutrition courses attended by Sisters M. Lee and W. Mottley.

The program hinged on the Scripture reading — 3 John 2: —“Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.” There was a short film entitled “The Owl and Fred Jones” which depicted eating habits, the results of same and how to establish more satisfactory and beneficial ones. A panel consisting of four members and a moderator was introduced by Pastor Samms,

but before they gave their presentation Brother Alfred Greaves of the Norwood Church gave a beautiful rendition of the song “Love Divine so Great and Wondrous.”

The panel consisted of three Registered Nurses (seated from left to right), Sisters R. DeVera, H. Fankhauser and M. Lee and Brother W. Greaves, a medical student. The moderator (centre) is Sister C. Hines, Chief Dietitian of Kingsway College. Their discussion was entitled “The four basic foods.” Sister R. DeVera dealt with proteins and emphasized the importance of these as components of all living things. She also

stressed the fact of the high-quality protein content of plants. Her charts supported her points. Sister Fankhauser dealt with carbohydrates, Sister Lee with vitamins and Brother Greaves with fats.

In their presentation of these foods the panel not only stated their sources, but their function in the body system and their negative as well as positive aspects. Information was given by the panel members in their presentations and also there was considerable audience participation. Several questions were asked and dealt with ably by Miss Hines and panel members. After the discussion Pastor Whalley gave a demonstration of a home-milling process of wheat.

After the presentation of the four basic foods and the dem-

onstration, there was a display of foods. At the back of the hall were carefully laid tables with foods not only pleasing to the eye, but also to the palate and good for the body.

The Smorgasbord was geared specifically for the public. For the benefit of those who came and who were not aware of the canned meat substitutes, coffee substitutes and other wholesome foods used by vegetarians. There were samples on display as well. Cookbooks were also available.

The venture was quite a success in making more people aware of the possibility of subsisting on a meatless diet — a diet like unto the one originally given to man by a loving God who wants us to prosper and be in health.

At Right: Samples of various vegetarian dishes used today were carefully prepared and displayed. Here we see Mrs. W. Mottley and her daughter, Heather Frankhauser serving the samplers and explaining to them what they were about to sample.

## A Testimony from a Former Spiritualist

NOTE — Some time ago a story was printed in the CANADIAN UNION MESSENGER on Spiritualism in the Toronto Portuguese church. For months Maria Claudino has been a happy, free Christian completely delivered from the power of the enemy. Recently she expressed her desire to give her testimony. While she was writing these words the enemy appeared in her room and punched her with such force that he knocked out one of her teeth. The following testimony was written by her in spite of threats from Satan.

HENRY FEYERABEND, *Pastor*  
Toronto Portuguese Church

*I found our dear church through the message on television. Today I am happy and feel so close to God. I only have words of praise and thanksgiving for what God has done for me. For me to become a Christian I had to go through a bitter battle with Satan. I have gained the victory through Jesus Christ my Lord.*

*No matter what happens along the pathway of life, whether it be troubles or afflictions, I will never be separated from my Bible. It was in this Book that I found the true way.*

*I want to thank God for having brought me in contact with three people. Those who stood by my side in the hour of conflict: my dear pastor, brother Francisco Botelho, and Tracy. To them too I want to express my gratitude.*

*My prayer, Oh God, is that in Your infinite wisdom and love Your will may be done for everyone, everywhere. Amen.*

*Maria Claudino*

# New Home Care Service for Metropolitan Toronto

For the first time in Ontario, and probably in all Canada, a new and shortened home-care nursing course is being sponsored by the Seventh-day Adventist Church, to serve Metropolitan Toronto. The Adventist Health and Care Agency course has proven itself in such American centers as New York and Washington, where hundreds of graduates are looking after the sick, aged, and disabled. The course covers such essential areas as bed patient care, bathing, nutritional feeding, first aid, bandaging, care for chronic cases, care of the sick and aged.

In all, thirty-eight people completed the ten-week course, including three male graduates. Graduation ceremonies were held in the Willowdale Seventh-day Adventist Church, 555 Finch Ave. W., on Sunday, May 11. Friends and relatives were on hand to hear guest speaker Elder L. Reile, President of the Seventh-day Adventist Church in Canada. Elder Reile charged the graduates to serve with love and understanding, as they ministered to all who needed assistance.

Dr. R. Connors presented the graduation certificates. Elder Reile presented graduation pins, assisted by Elder L. Milli-

ken, Pastor of the Willowdale Church.

Special music was supplied by graduate Victoria Franco and a duo from the Kingsview Village Seventh-day Adventist Church.

Top graduate Evelyn Steffner always had an ambition to be a nurse. The home care course was just what she was looking for. Evelyn plans to give up her job in an insurance office for full-time nursing. Asked why she took the course, Evelyn replied, "I like working with people. This is much more challenging and rewarding for me, than office work."

Adventist Health and Care Agency classes meet on Sundays in the Willowdale area, from 9 a.m. to 4 p.m. for a total of seventy hours. The course is headed by Acting Director Adele Stickle, assisted by Mrs. M. Heintz, Mrs. L. Pedro, Mrs. A. Turnbull, Mrs. N. Anderson, Mrs. C. McGraw, and Mrs. D. Henry.

Those wishing to learn more about the service, or the course itself, are invited to call Adventist Health and Care Agency, 630-3426.

## Manitoba-Saskatchewan —

## Manitoba - Saskatchewan - Alberta Pathfinder Camporee

On the weekend of May 16-19, 176 Pathfinders and staff from throughout Manitoba, Saskatchewan and Alberta gathered at Beaver Creek Camp near Saskatoon for a camporee. Three clubs from the Alberta Conference and eight clubs representing Manitoba-Saskatchewan enjoyed the largest camporee of recent years.

As the Pathfinder clubs arrived on Friday afternoon, they immediately erected their tents, dug their fire pits and cooked their supper. Throughout the weekend they cooked their own food over open fires. With the added flavour of smoke and charcoal these meals were extra delicious.

It was an especially blessed Sabbath in the great out-of-doors. The Red Deer River Pathfinder Club gave a tremendous Sabbath School. This was followed by church service around the campfire circle where Pastor Wilf Michaels of the Maple Creek Chinooks Club challenged everyone to be complete Pathfinders.

Following a short freak hailstorm on Sabbath afternoon, the clubs looked for interesting items in the world of nature. Mr. John Capcara of Saskatoon led this activity. After supper and flag lowering the Alberta Clubs under the guidance of Elder Malcolm Graham led out in sunset worship around the campfire.

Sunday dawned bright and warm. It was a perfect day for the field events. There were contests in string burning,

Several of the clubs are shown participating in the pup tent pitching event.

flint and steel fire lighting, marching, flapjack flipping, judging height, tent pitching, knot tying, rope skipping and much more. After this busy day all Pathfinders enjoyed a lively campfire program.

On Monday morning the Pathfinder Fair was held. The Red Deer, Yorkton, Quill Lake and Calgary clubs had interesting displays. The Level Land Club from Beisker had the most unique display in the form of a tumbling exhibition. After a hearty rendition of "Oh, We

are the Pathfinders Strong" and a benediction the clubs broke camp and headed home.

The participating clubs and their awards are as follows:

- Beiseker Level Land — Sweepstakes Award
- Red Deer River — Sweepstakes Award
- Yorkton Trail Blazers — Sweepstakes Award
- Calgary — Trophy Award
- Quill Lake Quills — Honour Award
- Portage la Prairie

- Weriwocomico — Honour Award
- Regina Prairie — Special Award
- Saskatoon Bridge City — Special Award
- Macrorie — Special Award
- Swift Current, Swift Arrow — Participating Certificate

Pathfinders are on the march in Alberta and Manitoba-Saskatchewan. Let's give continued enthusiastic support to these clubs. And how about starting a new club in your church or district if you do not have one. Our youth deserve our best efforts!

## A Special for Mother's Day

Mother's Day was very special for the mothers, grandmothers, and even great-grandmothers pictured above from the Winnipeg Ukrainian Church. The reason — a group of young people from the Winnipeg Henderson Highway Church took time to bring a special Mother's Day Program to them. The program consisting of songs, poems and sermonettes reminding us all of the honour and love we should show our Mothers daily. The program stirred up many fond memories only Mothers have. Old or young, mothers are very special to us all and are truly a gift from God.

Skoretz, Park Manor Administrator, President — Not pictured — D. C. Heinrichs, Sunnyside Nursing Home Administrator, Honorary President.

A very profitable time was spent at the Bowden Camp with the five Nursing Homes represented from the Manitoba-Saskatchewan conference and the Alberta Conference. All the department heads were able to meet together and have a round-table discussion on how we could better our program in order that we as members of the remnant church may become better equipped to know how to complete the task that needs to be done at this last and final hour.

With the many aged people's needs that we attend to, we must also be alert in order to know how to bring to them the spiritual interest and encouragement that they need in order that their hearts may be won for Christ. Then, we think of the many members of the families they represent, they too must know the message. As the meeting came to a close, each and every one expressed many thanks that these were profitable moments that we may return to our homes newly refreshed with eager zeal to serve our fellow men in a way that they too may be drawn closer to their Lord and Master.

# Sabbath School Workshop In Manitoba-Saskatchewan

By S. H. GALLANT, *Sabbath School Secretary, Manitoba-Saskatchewan Conference*

It was good to have Elder H. F. Rampton from the General Conference and also Elder W. E. Kuester from the Canadian Union with us for a week that we spent in the three areas of our district within the conference. Beginning our workshop at Winnipeg, held at the Henderson Highway Church, our Sabbath School teachers and officers were well represented not only from the Henderson Highway Church, but from the churches surrounding the area. As we departed two days later, we found that many thanks were expressed because they felt that they had received much valuable information in order to be better equipped to conduct the Sabbath School within their churches.

On to Yorkton, after travelling 300 miles in sleet, blowing snow and treacherous roads, we finally reached our destination to our great surprise, we found that there too, even though the highways and roads and lanes to the farmyards were blocked with snow, people plowed their way out and came to be with Elders Rampton and Kuester in the continuation of the workshop.

On to Saskatoon two days later we had a wonderful time, the weather had cleared and in our third area we were well supported by our members from the Saskatoon Church and the surrounding areas.

In each of the workshops that were conducted, methods and illustrations were brought to the minds of our teachers, such that could be used that our young people, our boys and girls may be instructed to love their Lord, to work for others and at the same time live faithfully for Him.

So, to each of the men, from our Manitoba-Saskatchewan Conference, we wish to say thank you and continue God's blessing upon the heavy responsibilities that they carry from time to time.

Christ's Methods became soul-saving to tender hearts.

# Pathfinders Find a Way

By R. RAMSAY, *Communication Secretary*

The name, Pathfinders, would indicate a purpose of finding avenues or paths leading into a better or more complete way of Christian living. To become a Pathfinder would indicate a desire to become more proficient in handling and understanding whatever situation one may become involved in. In short, to become somewhat self sufficient and able to improvise within the framework of Christian guidelines.

The young group of Pathfinders from the Regina Church would seem to be well on their way in applying these larger concepts of action, organization, co-operation and hard work. When confronted with an embarrassing bank balance and with a Camporee coming in the immediate future, drastic action was called for. The solution? Unload a boxcar of 2 x 4's. Could they do it? They did not think so. But it was worth \$230.00 and they needed the money. Why not try? But to unload a boxcar was an all-day job for grown men. Were there any adult volunteers to lend a hand? A few hands went up and the next day the work began. By noon the work was less than half done but a few "old salts" were teaching the young ones efficiency through organization and as fresh hands arrived to help, the last 2 x 4 was out and stacked by about 5 p.m. Sore hands, heads, knees and backs relaxed with an air of tired satisfaction. It had been hard work but the comradeship, co-operation as well as the \$230.00 made it well worth while. And as some of these same young people hold high the flag of their club and of their country, we can be assured that they will continue to grow as Pathfinders in becoming better and more useful members of their church, their country and eventually of that heavenly city, the New Jerusalem.

Many hands make light work. Pathfinders and a few volunteers putting the wood where it belongs.

Unfurl the banners for God and consecrated youth and leaders.

A happy group pauses for a moment after the baptism. In the front, left to right: Melody Chernipeski, Landa Tataryn, Cindy Manchur, Sharna Kapiniak, and Gordon Cherney. Behind are Pastor A. Hiebert, James Liske, Norman Stewart, Mike Ochitwa, Mary Borchowitz, Jerry Borchowitz, and Elder Joe Melashenko of the Voice of Prophecy who conducted the baptism. Also included in the group was Barbara Gogol, not shown in picture. May God bless each one.

God's work knows no obstacles big enough that bring it to a standstill. His word goes out to do its work at any time of the year, in season or out of season, until every person has heard the good news of salvation and made his and her decision. In the Yorkton-Inglis area it was again seen that His word does not return empty — it accomplishes its mission and bears fruit for eternity.

The Yorkton Church was planning to have Elder Joe Melashenko lead out in a New Life Crusade in this growing city, when the date was postponed into seed-

ing time. It was out of season, but God's word was to be proclaimed even at such a time. And while some of the farmers were kept back from attending all the meetings, God's leading hand overruled some seeming obstacles.

All the people in the area were not able to attend every night, yet there was a good representation at most meetings. Sister Janet Astolfi, press secretary, did her part in bringing the meetings to the

attention of the public, and shortly before the crusade Brother and Sister Ivon Chernipeski made an interesting and unexpected contact for the crusade. Some came as far as one hundred miles to hear the spoken word, and many will remember the opening strains of "Jesus Is Coming Again" as sung by Brother Russell Tataryn and Elder Melashenko.

Some real victories were won, against the opposition of the enemy, as souls

took their stand on the side of truth and determined to follow Jesus Christ at any cost. They weighed the consequences, recognizing that as they chose to go with Him, the end would be even better than the beginning. And what a comfort to know that His presence goes with us in this life. We are looking forward to a finished work and a returning Lord — returning in glory to take His people home.

## Appointed Member of Board of Directors of Saskatchewan Association of Special Care Homes

Ken Reimche, Swift Current Nursing Home Administrator.

K. D. Reimche, Administrator of Swift Current Nursing Home, has been appointed as a member of the Board of Directors of the Saskatchewan Association of Special Care Homes.

We feel highly honoured that Brother Ken Reimche could be one of the representatives of the association. Knowing Brother Ken Reimche as a personal friend, and as being a dedicated young man, I know that he will rightly represent his church within the realms of associates that he will be working with.

God used Daniel of old in the high places of government where he was able to witness and testify for his master and I truly believe that even in this day, God uses young men in order that His message may be carried to each and every person upon this earth.

We wish Brother Reimche God's blessing as he continues on in his service for Him.

## New Worker for Manitoba-Saskatchewan Conference

Mike Manchur — Sales representative for Loma Linda Foods.

In the early years of his life, being active and successful in his business and farming career, Brother Mike Manchur felt that he should be a worker for the Lord and in the finishing of His work. In 1955 he accepted a call to be a literature evangelist and worked for six years in the Manitoba-Saskatchewan Conference and two years in the Ontario Conference. In 1963, Brother Manchur accepted an invitation to be a Loma Linda Sales Representative for the Ontario Conference.

Most recent, Brother and Sister Manchur have accepted a call and have come to the Manitoba-Saskatchewan Conference to take up a greater responsibility and to be a representative for Loma Linda Foods in all of Canada.

Brother and sister Manchur have been

blessed with two children, Shirley, (Mrs. Ken Reimche) whose husband is the administrator for the Swift Current Nursing Home, and Fred, their son, who is an assistant administrator to the West Park Manor Nursing Home in Winnipeg.

In speaking with Brother and Sister Manchur when they arrived in Saskatoon, we realized that their main objective is to see that the work of the Lord will soon be finished and that as one great family we will all go home together. We do wish Brother and Sister Mike Manchur God's greatest blessing as together we work for the finishing of the Lord's Task.

### Christian Education Advances in Vernon

From Vernon, in the sunny Okanagan Valley, comes the news that plans are developing for the construction of a new church school building this summer. Under the direction of Adam Heiland, Building Committee Chairman, and Bill Markowsky, Finance Committee Chairman, the plan is to build a two-classroom structure for occupation in September. Long-range plans are for more classrooms, a gymnasium and possibly a church on the same property as needed. The Lord has led in the purchase of an ideal piece of property in a residential section on the outer edge of town. This property, which the church was able to purchase at a reasonable price is secluded by the nature of the land but easily accessible to all church members. Trees border approximately 4½ acres of level, grassy land. Included on the property are two houses, one to be used as a teacherage, and the other has been sold to the incoming principal.

A two-room church school was located in Vernon from 1945 to 1964. It was closed in favour of consolidation with the larger school at Grandview Flats. Increased pupil enrollment there, and a larger membership in Vernon, made separate

schools desirable. The revived school has started small with 12 students finishing the year in a one-room temporary modular classroom, but a larger enrollment is expected for next year.

Bob Schafer, formerly teacher at Williams Lake, Grandview Flats and Rutland Academy, will be principal and teacher of grades 5 to 9. Miss Leanne Bergey, previously teaching at Toronto Adventist Academy, will teach grades 1 to 4. She will also contribute to the school and church program with her musical training received at Walla Walla College.

Schafer, with the support of the School Board, under the leadership of Chairman Stan Rogers and Pastor Peter Fritz, plans to have a school program in line with the Spirit of Prophecy counsel. Spiritual, mental, physical and social development will be encouraged with emphasis on the practicability of all learning experiences. Activities incorporated in the school program will include outdoor and greenhouse gardening, projects built with common tools, home making duties and missionary activities.

### ... Royalaires Spread Happiness ...

The Royalaires are the grades 3, 4 and 5 students from the Cariboo Junior Academy in Williams Lake. Under the direction of Mrs. Linda Bergey they recently planned to perform in Prince George and Quesnel. Due to car trouble some of the choir members, the choir gowns and most of the good food went only as far as Quesnel. The Seventh-day Adventist Church group in Quesnel felt this was a pleasant surprise and the nine singers sang during the worship hour.

Not knowing what had transpired the leader and the rest of the choir proceeded to Prince George. But after waiting some time they went on with their planned program in the church.

Returning to Quesnel they enjoyed a delayed lunch at the home of Mr. and Mrs. Robert Graham.

Later, gowned and together at last, they visited the Dunrovin Park Nursing Home and the Extended Care Unit for the G. R. Baker Memorial Hospital to bring cheer and happiness to the appreciative audiences.

### Five-day Plan a Success

Pastor Peter Fritz of the Vernon Church reports that the Five-day Plan held May 12 to 16 was "a big success". The plan was held in a local high school in co-operation with the Adult Education Department of Okanagan Regional College. Twenty-four of the twenty-five persons finishing the course stopped smoking by the fifth day. Pastor Fritz said the people were really enthusiastic. It was one of the best he had ever conducted. He plans to hold another series in October through the College again.

## Evangelism in North Okanagan

Pictured above are Pastor Knoll and wife Merry with the impressive sign a local member made to announce the meetings.

Pictured above are those leaders who helped with the meetings and some of those baptized in Lumby.

As summer dawned in the north Okanagan Valley, the evangelistic team began a Bible Seminar in Lumby, British Columbia. Pastor T. R. Knoll, the conference evangelist, was assisted by Cliff Driberg and also Peter Fritz, the local pastor.

Many years ago the Proctor family moved to that area, and it was here they became acquainted with the Advent message. Their burden was to work for the Lord and establish a church. Land was made available, and now there is a self-supporting institution located there known as Silver Hills.

The administration and students at Silver Hills launched an intensive program of friendship visitation. Part of the program was to teach others what true temperance is and distribute samples of wholesome food. Often you could witness students going to a home with a Bible in one hand, a loaf of bread in the other. There is a lot of religion in both. The effectiveness of faithful, systematic visitation was revealed on the opening night of the meetings. The local Lumby Ecumenical Church was made available for the Seminar since we do not have an organized church there. Each evening over 100 people crowded into the small sanctuary, and on some occasions there was literally standing room only. Over forty people rededicated their lives to Christ, and reports of baptisms continue to come in.

## Mothers Honoured

By MURIEL HUBER, *Williams Lake Church*

Mother's Day is always a special day and during the Sabbath School hour at the Williams Lake Church, mothers were honoured. Mrs. Rose Kandt, 85-year old mother, is the oldest and Mrs. Larry (Marilyn) Johnson is the youngest mother. They were presented with floral tributes. Mrs. Hazle Barclay and Mrs.

Anna Buehler have been the longest attending members of the Sabbath School for 77 and 76 years respectively.

During the vesper hour Mrs. Linda Bergey and her choir, the Royaliars, presented a varied program dedicated to all mothers. We can agree with Kate

Douglas Wiggin when she comments, "Most of all the beautiful things in life come by two's and three's, by dozens and hundreds. Plenty of roses, stars, sunsets, rainbows, brothers and sisters, aunts and cousins, but only one mother in the whole world."

Mrs. Elsie Kandt, 85-year old mother, enjoys reading her Bible.

Youngest mother, Mrs. Larry (Marilyn) Johnson, gazes at her 10-week old daughter, Kathryn Nadine.

Mrs. Anna Buehler and Mrs. Hazle Barclay have been Sabbath School members for many years.

## WEDDING

### BOUTCHER-LIPPERT

The College Heights Church at Canadian Union College was the scene of a beautiful wedding on August 17, 1974 when Marlene Lippert became the bride of Gordon Boucher. Pastor Alex Ramsey, uncle of the groom, conducted the service.

Marlene is the daughter of Mr. and Mrs. Ben Lippert of College Heights, Alberta, and Gordon is the son of Mr. and Mrs. Howard Boucher of Oshawa, Ontario.

They are making their home at Canadian Union College where Gordon is continuing his education and Marlene is nursing. May God richly bless this dedicated young couple.

**BEST** — Eldon Esper Best was born in Madoc, Ontario, on April 3, 1896, and passed away on May 26, 1975, at Langley, B.C., at the age of 79 years.

Another event of even more importance was his acceptance of the Lord Jesus as His Saviour and his baptism into the Seventh-day Adventist church in 1936 at Peoria, Alberta, under the ministry of the late Pastor Luther Long.

Surviving him, besides his devoted wife and daughters, are three brothers, three sisters and ten grandchildren, ten great-grandchildren, other relatives and many friends.
