Dear Center for,

Few people on this planet are more joyful than Peter. I had the honor of meeting Peter and his family as part of filming the Christian Record Annual Day of Giving video.

Less than a week ago, I sat in Peter's living room and visited with his parents, Gary and Diann. The ministry they have had over the years in bringing special needs children into their home warms my heart. Peter was the first visually impaired child they brought home and adopted 22 years ago.

Peter's story is the subject of the Annual Day of Giving Video, scheduled for release in April of 2015. His smile is infectious and his positive spirit about life draws people to him.

Peter has a big dream . . . but you'll have to wait until the video's release to learn more!

Watch for details in an upcoming ENews for information on how you can share Peter's story with your family, friends, and business associates, and church.

Blessings!
