NAD Ministry Survey
The Ministerial Association of the North American Division (NAD) has embarked on a major project of developing resources for elders within NAD. Ivan Williams, NAD Ministerial Director, has asked Nikolaus Satelmajer, former Ministry editor to coordinate this project. Before the resources are developed, they wish to get input from ministers and elders within NAD. We are sending this message to our Church Applied recipients. If you have specific questions about the survey, please contact Nikolaus Satelmajer at 301 879-8933 or email him.
