JESUS FOR ASIA

Each year at Collegedale Church’s Vacation Bible School we have a mission that is supported through our offerings. Our focus is the “Jesus For Asia” evening schools in India that provide a free meal and two hours of education six days a week to kids that would otherwise be victims of malnutrition and stuck in a cycle of poverty, dictated by their caste and opportunities. It only costs $7/month per child including teacher, cook, and principal salary, food, rental, etc. There are currently four schools feeding and educating between 200-300 children per night. It costs $450 to start a new school and about $250/month to operate it.

Our goal at VBS this week is to provide enough funds to start and operate one school for one year. That’s a total of $4,650. If you have a child attending VBS, don’t forget to send an offering with them. If you don’t have a child attending, you can still support this mission by bringing an offering to Church this Sabbath, or mailing it to Collegedale Church, Attn. VBS Missions, PO Box 3002, Collegedale, TN 37315.
