SONTREASURE ISLAND AND SERVICE CAMP ATTENDANCE REACHES 370

An average of 290 children attended SonTreasure Island VBS and another 80 attended Service Camp.

Each the VBS kids learned how Jesus’ life illustrates one of five key truths about God’s love as described in 1 Corinthians 13. They learned that God’s love is Giving, Kind, Caring, Forgiving and Forever!

Service Camp kids spent the week being of service to the community by doing yardwork, handing out words of encouragement, washing cars, participating in a Prayer Raid, visiting residents at The Lantern, and writing scriptures in chalk on sidewalks.

Thanks to the many volunteers who were group leaders, decorated, helped with crafts, served refreshments, led out in games, led song service, helped with registration, and all the other areas.

The Montessori Early Childhood Center is accepting applications for a second classroom. Openings are filling up fast.

The mission of the Montessori Early Childhood Center is to partner with parents to nurture children in ways that promote spiritual, physical, mental, emotional, and social development through the Montessori approach. Our classrooms are warm, encouraging, intellectual, and artistic environments where children can spontaneously ask questions, investigate, create, and explore new ideas. Teachers are especially sensitive to the individual learning style of each child, and allow children to excel at their own pace.

If you have a child ages 3 to 5 and are interested in visiting our classroom, contact AW Spalding at (423) 396-2122 or Jill Howe at (423) 240-8189. Space is limited.

ADOPT A SOUTHERN STUDENT

Southern students will soon be back on campus and we want to welcome them back to our Church family.

After returning, students will be given the opportunity to sign up to be “adopted” by a Church family at the Renewal services on August 30 and September 6. We will then give you the opportunity beginning September 13 to adopt one or more students for the school year.

By adopting a student you commit to the following:
1. Praying for your student(s).
2. Planning at least two interactions with this student(s) per semester. These interactions could include the following:
   a. A visit to your home to get to know each other
   b. A note of encouragement
   c. Hosting a Sabbath lunch and time of fellowship
   d. A small gift or care package during exam time
   e. Assistance with a class the student may be struggling with
   f. Prayer or Bible study meetings together
   g. Or any other way you are able to connect with your adopted student.

The most important part of this project is to prayerfully and wholeheartedly enter into these relationships with an open mind to have a heartfelt relationship with your student.

The blessing potential of this ministry could be great! However, its success is totally dependent upon your willing participation!

BECOME A PATHFINDER CAMPOREE SPONSOR

The Forever Faithful International Camporee in Oshkosh is just a few short weeks away. There are 160 of our club members and staff attending the Camporee this year.

We need your help with some of our expenses. We are looking for members who are willing to “Feed our Pathfinders” and others that are willing to be “Pathfinder Chauffeurs”.

Feed our Pathfinders: On average, it will cost us about $2.50 per person for each meal. We are looking for members willing to help by sponsoring a Pathfinder ($50), a club meal ($400) or club meals for a day ($1200).

Pathfinder Chauffeurs: Help our Pathfinders make the trip. Consider sponsoring a five mile section of our trip ($32.25), a Pathfinder ($68) or a 25 mile portion of the trip ($161.25).

Mark your tithe envelope accordingly.

Thank you for your continued support of our Pathfinder Ministry, and for helping give our Pathfinders the opportunity to play, learn and worship with over 46,000 Pathfinders from around the world as they develop a closer relationship with Jesus and learn to be Forever Faithful to him at this event.
