Why Young Christians are Leaving the Church

Based on new research conducted by the Barna Group, You Lost Me exposes ways the Christian community has failed to equip young adults to live "in but not of" the world--to follow Christ in the midst of profound cultural change. This wide-ranging study debunks persistent myths about young dropouts and examines the likely consequences for young adults and for the church if we maintain the status quo.

One place

The One Place Sabbath worship service on Andrews University campus is just one example of a new community striving to implement the 9 COR Values.

The focus is to connect with people of all ages who, for whatever reason, don't currently belong to a worship community. With 1-200 in regular attendance we are constantly thinking of ways to help everyone to have freedom through worship, expression in creativity and safety in community.

Inspiration

"Success is not how many attend our programs but how many remain in Jesus when they are on their own..."

- Gilbert Cangy at the EUD/TED Youth Advisory

"A greater work than has ever been done must be done for the young. They must be won with sympathy and love; all barriers must be broken down between them and those who would help them. The most good is not accomplished by long speeches and many words of exhortation or reproof."

- Ellen G White
