Meet The Team

Wayne Blakely  Mike Carducci  Ron Woolsey  Danielle Harrison

Dear Wendy,
Here it is at last! The long awaited 'Coming Out' Ministries newsletter. 2014 has been an incredibly busy year for all of us.

'Coming Out' Ministries is known for a complete message of "Truth in Love." We are an umbrella ministry. Wayne Blakely, Michael Carducci and Ron Woolsey are its Co-Directors. We have recently been blessed by God in adding Danielle Harrison as our associate. It is wonderful and exciting to have the much needed female perspective. She is an answer to our prayers. Included in this newsletter are links to each of our personal ministries. Be sure and check them out.

We are most effectively utilized when given the opportunity to share together. There is great power in the testimony of one, yet there is greater power in hearing from several with a unified voice of what is possible through trusting in Jesus and exploring His Word together.

The goal of 'Coming Out' Ministries is to educate churches, schools and other organizations about reaching out to gays with the saving love and grace of Jesus Christ. Before we each met Christ we were convinced that "love" meant permission to do whatever was comfortable for us in our lives. Our credibility is that of having been gay and then divinely encountering Jesus directly and responding to His call. Today we understand more clearly the "pure love" of Jesus Christ. As such an amazing Father, He has helped us understand that His love is often disciplinary to save us from the lies and deceptions of the enemy. This message that His love changes lives is broadened far beyond the reaches of "homosexuality."

Sin and its temptations target every child of God. Even those who have never experienced distance from the church. Satan seeks to access all of us through our "feelings," and then try and convince us that our "feelings" equal truth. We spend a lot of time talking about the value of every believer, regardless of their struggle and teaching about developing intimacy with Jesus. Each of us matter, belong and are loved by our Heavenly Father. We share how the church body (our family) is commissioned to reflect God's love to "all."

There is a trend being populated today that says Jesus is all. This gives people the idea that we need not do anything. But those who spend time with Christ and rely upon His written Word, know that we have a part in our walk with God. "Who gave himself for us to redeem us from all lawlessness and to purify for himself a people for his own possession who are zealous for good works." Titus 2:14

In our journey along the narrow way, He asks us to submit our will to Him and abide in Him making daily choices that will please Him. John 15:5 tells is to remain in Christ and John 8 reminds us that His truth is what sets us free.

It has truly been a blessing as we have shared this message throughout the year. We have been in many places across the United States as well as in Australia, Africa, Austria, Germany, Brazil and Canada.

Thank all of you for your much needed and appreciated prayers. We are continually lifting your prayer requests as well.

On The Horizon

Coming up at the end of December, we will once again be privileged to return as speakers at the Generation of Youth for Christ Conference in Phoenix, Arizona. Last year every one of our seminars were packed to capacity with over a hundred waiting to come in. We will be expanding this year on purity topics effecting more than those who might struggle with same-sex attraction. We solicit your prayers.
At the end of February Mike, Danielle and Wayne will leave for Europe where we will speak at the Youth in Mission Conference in April. We will also be speaking at numerous churches and pastor's conferences in Austria and Germany. During our time across the pond we will also share at Amazing Discoveries as well as a week-long sharing time in London. We won't be home until the first week of May. Please pray that the Holy Spirit will use us as Christ's ambassadors sharing a united voice of victory in Jesus.

While we are in Europe, Ron Woolsey will be heading to New Zealand sharing there and presenting at camp meeting.

The whole team will convene in Montreal where we will be able to share with a large group of people utilizing the assistance of French translators. This will be followed by some additional time in which we will be filming with French translation. It is awesome that God is providing so many people with a deeper understanding of the richness of His Word and familiarity with the promises that have been key in our continually transforming lives.

Many of you will be present for the General Conference session in San Antonio, Texas in July. Please come by our booth and say hello. We are always happy to see those we have not seen for a while, catching up as well as taking time to pray with you.

**DVD Sets**

The "Coming Out" series is a 13 program set filmed with our host Steve Wohlberg of Whitehorse Media. We share our testimonies as well as how we walk with Christ today and talk about today's challenges as they relate to "redemption" from homosexuality.

"The Gay Puzzle" is a set of 21 programs filmed at 3ABN for the Dare to Dream Network. These programs deal with multiple topics such as Breaking the Silence, Homophobia in the Church, The Power of Prayer, The Down Low Culture, Masturbation, Pornography and the Normalization of Homosexuality.

"Coming Out.... Really?" was filmed in Australia with Daniel Laraedo from By Beholding His Love, and Wayne Blakely of 'Coming Out' Ministries. Filmed in front of a live audience, they share their journey from within homosexuality eventually leading to their encounter with Jesus Christ and how He led them out. A stirring Q&A provides the viewer with thought provoking responses engaging them into a Biblical directive that continually points to God's will rather than settling with a fleshly or worldly view.

We Live To Share
We love sharing what God has done in our lives and what is possible for anyone who desires to fall in love with Jesus. There is tremendous power in the voice of Jesus through multiple
testimonies. We are available to share together and individually depending on your requests and desires.

We provide presentations for schools, churches, pastoral conferences and private organizations.

The upcoming year is very busy, but there are still a few openings. You can contact us through our 'Coming Out' Ministries website as well as by emailing any of us. Wayne works diligently with communication, keeping everyone informed. You can email him at knowgreaterlove@comcast.net. Be specific with your request. He will be happy to respond to you directly or pass your inquiry on to the appropriate person.

Partner With Us

This world-wide ministry could not exist without your help. If you would like to be a part of getting this message out to the world and would like to support Coming Out Ministries, you can mail your tax-deductible donation to: Coming Out Ministries, or click the DONATE button in this newsletter administered by Know His Love. Your donation goes directly to 'Coming Out' Ministries.

Help us, help Jesus, deliver men and women, young and old who don't know that there is a Savior that is ready to love and help them escape sexual sin. Help them experience freedom through His Word, and by the testimonies of those who were trapped in homosexuality and sexual sin.

Won't you prayerfully consider the power of what your donation can do to advance this truth to a dead and dying world?

The Power of Prayer

We are living "redeemed" lives today... due to the incredible power of prayer. Our family and loved ones never gave up. Then continue to pray for us today as we walk with God. Mike Carducci and Wayne Blakely have held prayer conference calls for the last two and a half years on every Thursday and Friday morning.

Wayne holds the conference on Thursdays from 6:00 - 7:00 am Pacific time and Mike holds the prayer conference on Friday mornings from 6:00 - 7:00 am Eastern time. This a very blessed time to spend with God and to lift up those we love irregardless of their struggle.
