Dear SDA Kinship member,

The Kinship Member Services Team is needing to update/verify the contact info we have for our members. We would like to call all 2000+ members, but that isn't feasible or efficient.

We have come up with this "survey" form to fill in your data. This will be the easiest way to update your data. It is totally confidential and secure. We are asking each of our members to complete the form. If you run into any problems or would rather someone call you to verify your information, please provide your best phone number and best time to call you.

We shortened the member registration form, so even if you are a new member and you think your info is current, please fill this out anyway. There are additional questions in the survey that aren't included on the registration form. We realize that "time" is a premium commodity, but the few minutes it takes to fill out the form will make the job of your Kinship leaders much easier because they have correct data to work with.

Thanks in advance for you participation.

SDA Kinship Membership Renewal

Seventh-day Adventist Kinship International is a non-profit organization providing an affirming community for those who are gay, lesbian, bisexual, transgender, intersex, as well as those who are supportive allies and family and friends of the GLBTQ community. Although most of our members currently have or have had a connection to the Adventist church in the past, it is not a requirement to be a member of the Adventist Church or any other denomination. Kinship welcomes everyone who is respectful and supportive.

Kinship strives to provide a balance of education and resources for the church to better understand our community and the challenges of being who we are. We work together with individuals and groups who have the same goals as we do. SDA Kinship counts it a privilege to have YOU as a part of our community.

In order to provide you the best service and to make SDA Kinship truly feel like your family, we need to have the most current contact info so we can stay in touch. Knowing a bit about you helps us to connect you with others who have similar interests. Please take a few minutes to fill out this form so we can update our confidential database. All info provided is kept confidential and is available only to the Kinship's leaders who need to have the info.

1. Please indicate your preference
   - I wish to RENEW my membership and affiliation with SDA Kinship Intl (THANKS!!!!)
