Dear Center for,

Special Note to Contemporary Subscribers

The Center for Creative Ministry is pleased to announce our 2014 Leadership Webinars

After a successful series in 2013, we are presenting another series of Leadership Webinars for local church leaders in 2014. Each of these will be a live event with an opportunity for you to ask questions and interact with the presenters. Although both
Webinars of the scheduled weekends are live, the Sabbath afternoon and Sunday morning sessions cover the same topic. You pick the one that best fits your schedule, or the schedule of your local church.

You can access these Webinars from your computer at home or wherever you are. A group can gather at your church and participate as a group, if your church has a video projector and access to the Internet. Or a group can gather in someone's home for the same purpose.

Please register only if you plan on attending the live event. Space is limited to 100 computer connections. There will be recorded sessions available for viewing or for download after the sessions. We will announce on Facebook and on our website when these are available.

These events are scheduled on Sabbath afternoon from 4:00 p.m.-5:30 p.m. Eastern time, which is 1:00 p.m.-2:30 p.m. Pacific time. And the same topic will be presented Sunday morning at 11 a.m. Eastern time, which is 8 a.m. Pacific time. The topics were selected with input from pastors and church boards.
