Colleagues,

We have a very unique opportunity. Later this month, the North American Division Office of Education will be highlighting early childhood as a ministry of the Seventh-day Adventist Church! We have less than three weeks to help them prepare this presentation.

What the NAD needs is information that is specifically ministry focused; for instance:

- How many Bible studies or study groups have begun as a result of someone’s contact with an Adventist early childhood program?
- How much literature is distributed to ECE clientele via the Adventist ECE program? (weekly, monthly, annually, however you can measure it)
- How many baptisms have resulted from someone’s contact with an Adventist ECE program?
  - Parkwood Christian Preschool (Modesto, CA) had two baptisms in March, 2013 – a mom and a dad who came into the church as a result of their son attending the preschool
  - Bit O’Heaven Preschool (Norwalk, CA) has a teacher who came into the church as a result of her grandson attending the preschool.
  - Moana Loa Preschool (Hilo, HI) had a child in attendance who insisted that his parents take him to Sabbath School eventually resulting in both becoming baptized.

We need this type of information. If you can provide names and dates, great! If you can provide photos, even better!

Share, share share!

Send the info to Christine@puconline.org and I’ll be sure it gets passed on to the NAD Office of Education!

Thank you – thank you!
