**Church Business Meeting**

On June 26, 2012, the Eau Claire SDA Church in Business Session voted down the motion of recommendation from the Eau Claire Adventist School Board to temporarily transition to a one teacher school. Directly afterwards, the church voted to maintain the Eau Claire SDA School as a two teacher school even though this would mean a substantial shortfall for the coming year with the current planned enrollment.

We ask that you continue to pray for our school and the teachers as we now prepare for the 2012/2013 school year, and that you consider supporting our school financially. Details about how this will be handled will be forthcoming.

Thank you to all members who came to the meeting and supported our school and it's teachers.

Personal Evangelism and Prophecy Meetings
As you know, our evangelistic series with speakers Ted Toms and Tom Shepherd will be held September 5 through October 6 here in our church fellowship hall. As Romans 10:14 says, “How can they call upon Him whom they have not believed in? And how can they believe in One whom they have not heard about?” For our meetings to succeed we have to have people in attendance, both members and non-members.

Our personal ministries team has planned a very proactive method to let people know about our meetings. On June 2, our personal ministries team started reaching out to our local area to share with them helpful literature and invitations to our meetings. We plan to continue with this outreach every other week, leading up to the Prophecy Seminar.

We need your help! Ponder and pray if this is the part of our outreach that God is calling you to get involved in. We hope you will join us.

“Families Reaching Up” is the theme for the 2012 Family Celebration Sabbath, held July 20–22, 2012, at the AU Theological Seminary. Delbert and Susan Baker are the featured speakers. Eau Claire Church School
At the Church business meeting on June 26 it was voted to maintain our church school as a two teacher school. This is a major decision since we have a potential shortfall of students for the coming year. The school board has laid plans for both visiting members and those not in our congregation about the possibility of their children attending the Eau Claire SDA School.

We ask for continued prayers and support of our church members in this important ministry of our church.
