Subject: Prayer Request - Herb Fairbanks
Herb Fairbanks is in the hospital at Bronson in Kalamazoo with an infection in his right hand. He was suffering on Sabbath, but then his hand began to swell and kept growing in size for the next day or so. He began to see streaks going up his arm. He decided to go to the hospital.

The hospital still doesn't know the cause and is trying to discover the cause of the infection, but haven't been able to discover the reason for it.

Please keep Herb in your prayers.
