This coming Saturday evening, February 2, Home and School is sponsoring a Gym Night at the Eau Claire Community Center. The evening begins at 7:00 and ends around 9 to 9:30 (we have the Center for four hours, but we have to factor in clean-up). We'll be able to play basketball, volleyball, or kickball. There should be some space for younger children to play with toys. If there's snow, we have the hill outside where we can sled so bring your sleds. If you have table games, there should be tables on which to play.

There's a cost to rent the facility and we're asking for donations to help in paying the rental fee. We're also asking for families to bring snacks to share. Please plan on coming; this is a social activity for our school and church family. If you have any questions or uncertainties, please call Jim, 269-449-2227 or Betsy, 269-363-9778. We look forward to seeing you there for an enjoyable evening!
