Hello Eau Claire SDA Church!

I am doing a follow-up for costumes from Vacation Bible School. St. Joe Church is doing the same program and would like to borrow some costumes for this following week and so I would like to gather the costumes that have been or going to be washed. If you took the costumes home, would you be willing to please bring them to the church (fellowship room) by this Saturday (August 3), or on Saturday so that we are able to help out St. Joe's ministry as well as organize and put together the costumes for next year's program.

Thank you for all your help with VBS!!

Amy Moreno
