School Greenhouse

The school greenhouse team is preparing for this spring’s growing season, and you can help by saving 1lb through 2lb cottage cheese, yogurt and margarine containers for planting. Plastic flower pots in similar size range would also be useful. The containers can be left in the box provided on the shelf just inside the Fellowship Hall door marked greenhouse or turn them in at the school. Thank you for your help and support in this project.

Fundamental Belief 9 -- The Great Controversy -- All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God's adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the worldwide flood. Observed by the whole creation, this world became the arena of the universal conflict, out of which God's love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Rev. 12:4-9; Isa. 14:12-14; Eze. 28:12-18; Gen. 3; Rom. 1:19-32; 5:12-21; 8:19-22; Gen. 6-8; 2 Peter 3:6; 1 Cor. 4:9; Heb. 1:14.)

On October 29, we entered the AFM center with excitement! Our class had never participated in a day like this. We wondered what was in store for us.

After we registered, we were welcomed by a few missionaries. Then we received our very cool AFM backpacks. We were informed that at each station we were going to be given something to put into our backpacks.

The first station we went to was in "The Purple Room". In this room we had the pleasure of listening to true stories from the missionaries themselves. We heard stories about Guinea and Papua New Guinea. The missionaries also showed us pictures of their experiences.

Moving on to "The Green Room", we learned about the 10/40 Window. The 10/40 window stretches from 10 degrees North of the equator to 40 degrees. It is the least evangelized but most populated. It is the hardest to reach and the world’s poorest people live there.

After a refreshing lunch, we went to "The Orange Room". We learned about the Philippines and Cambodia. The best part about this room is we were given our own Cambodian Krama! A Krama is a long piece of woven cloth. Mrs. Payne showed us many ways to use it. It can be used as a towel, a blanket, a baby carrier etc. The list can go on. One thing I know for sure is that we were all very excited about our Krama’s!

The last room we went into was "The Blue Room". Come to find out, "The Blue Room", was actually outside. Here we learned about the 2nd CIRCLE.

The 2nd CIRCLE stands for, Connect with people, Introduce Jesus, Renew minds, Cultivate Christian culture, Lead leaders and Expect expansion.

We also played a game with a Frisbee that demonstrated how the 2nd CIRCLE works. At the end of the game we all received a Frisbee.

It was fun going to the AFM center. I wonder how many Eau Claire SDA students will grow up to be missionaries because of the experience we had today.

Patience Contrast Poems

In impatience we are hasty, kind of mean and quick tempered.

Patience is nice and gentle, loving words, and helpful hearts.

By Cassandra Hendrickson

Impatience isn’t good,
You always have to argue.
I wish no one would be impatient!

I like patience.
It’s good to be patient.
I wish everyone would be patient.
By Alexandra Jimenez

Impatience is not needed.
No one likes it.
It is one thing that no one should ever do.

Patience is bright and happy!
It makes you want to sing for joy!
By Zachary Parker

“A happy heart is like good medicine.
But a broken spirit drains your strength.”

“Snow” By Taeyeon Lee

I like snow.
It makes me feel happy.
In the Winter,
we have snow days.
I hope snow comes again!

“A person who is careful about what he says keeps himself out of trouble.”
Proverbs 21:23
Dear Church and School Family,

We are now preparing for this Spring’s growing season for the school greenhouse. You can help by saving 1lb through 2lb cottage cheese, yogurt, margarine, and sour cream containers for planting. Plastic flower pots of similar size and range would also be useful. The containers can be left in the box provided on the shelf just inside the fellowship hall, marked greenhouse or turned in at the school. Thank-you for your help and support in this project.

Sincerely,
The Greenhouse Team
