First, I want to take a moment and thank each of you who stayed after potluck last Sabbath and help to quiz the Pathfinder Bible Experience team. It was so appreciated. Thank you so much!

**We could still use your help though.**

Would you be willing to write some question to help the PBE (Pathfinder Bible Experience Team)?

Each week we quiz and quiz but we run out of questions and we need your help.

Would you consider writing five questions each week from now until until our national meet on April 12? If five questions each week is too much, even one a week would really help us. If you can write more than five, that would be awesome.

**How to write questions**

Here is the format in which to write the questions:

According to (Scripture), (ask your question) (point value).

For example,
According to 2 Samuel 6:1, how many men did David gather? (1 point)

However, you can write fill in the blank, open ended, or true or false questions.

**Make them hard!** The question above is very easy and they would answer this no problem.

Here is a hard question:

According to 2 Samuel 23:35, name David's might men in this verse (2 points)

We also need questions over the Introduction to the Bible Commentary. Again, make the questions HARD.

According to page 447 of the SDA Bible Commentary, name the scripture and verse where Samuel's name last appears in the books of Samuel. (1 point)

How to send us questions

Send your questions with answers to questions@eauclairesda.com

Send them with the question first:

According to 2 Samuel 6:1, how many men did David gather? (1 point)

Then repeat the question and include the answer in your email:

According to 2 Samuel 6:1, how many men did David gather? (1 point) Thirty Thousand

If you use Powerpoint and want to put them in powerpoint, that would help as well. Just send the powerpoint to questions@eauclairesda.com
