Our Prayer Meeting small group is meeting Wednesday evenings from 7-8 p.m. at Rick and Cindy's house. We are beginning a study of how to pray for our children from the "My Child, My Child" book by Mr. Ferris. We are praying through any prayer requests members have, and encourage you to add a prayer request in the tithe and offering plate if you want the group to intercede through prayer.

Elder Visitation

The elders will be dropping by for short visits to see how you are and to pray with you. We all need encouragement and to lift each other up in prayer. That is the elders' goal. We look forward to seeing you and praying for you and those you love.

School Greenhouse
The school greenhouse team is preparing for this spring's growing season, and you can help by saving 1lb through 2lb cottage cheese, yogurt and margarine containers for planting. Plastic flower pots in similar size range would also be useful. The containers can be left in the box provided on the shelf just inside the Fellowship Hall door marked greenhouse or turn them in at the school. Thank you for your help and support in this project.

A Devotional Thought by Zachary Parker

Birds are a special animal. What makes them really special is that they can fly. Well, most of them can. The best thing about any animal is that they were created by God. One spiritual thought you can take from learning about birds, is that they are mentioned in the Bible many times. One of the stories that I always think of is Elijah. One night Elijah was laying in his bed when God spoke to him. He told him that the people were so wicked in Israel that he wanted Elijah to tell the King that there would be no more rain until they turned to God. After Elijah told the King, he ran away. Right away the King sent soldiers to look for him. Elijah went to a brook where a raven would come every morning and evening. God used birds to feed Elijah and that means if the birds can do big jobs for God then we can too.

“Let everyone see that you are considerate in all you do. Remember, the Lord is coming soon.”
Philippians 4:5
Dear Church and School Family,

I have a few reminders for you… We are still collecting cottage cheese, sour cream, butter, and yogurt containers for planting. Also, you can send in your old printer cartridges and we will recycle them. Last but definitely not least, don’t forget to bring in your Box Tops.

It is hard to believe that this school year is almost over. We have had a great year. In January we welcomed two more students. Please continue to pray for our school as we look forward to the 2014/2015 school year. Thank you for all you do and for supporting our church school.

Sincerely,
Ashley Johnson
