A big thank you to those who came out to our school work bee and to Lenay Edwards for making pizza for us!

Much was accomplished, however, there is still more that needs to be done! The school building is in urgent need of some care before we begin our new school year. We have a list and a plan, now we need some willing hands to complete the work by the end of July. Jason Johnson is coordinating -please contact him at 517-416-2418. Thank you to all who support our school with your time, hard work, finances and your prayers!
