Prayer Requests

Ann Marquez's nephew JJ. He may be facing surgery for a colon blockage.

Eva Parker. She is doing well at home following her surgery.

Rahel

I got this at about 9:00 pm on Wednesday, May 27, from Dr. Richard Davidson: Thanks for your prayers! Good news on the progress: Rahel's surgery was just completed after nearly four hours--SUCCESSFUL! Complicated angle for repair work because of the grafted vascular work on the other side of the leg. Nonetheless, the surgeon was able not only to repair the fracture but also to close all five fasciotomies so she does not need another surgery!! Praise the Lord!! The surgeon says he is very pleased with the results. Sing the Doxology!! Still a long road to full recovery, but we are praising God for this giant step!
