Educate Truth

Listen to the four clips LSU Board member Lenny Darnell made of Larry Blackmer and Dan Jackson’s talk with La Sierra University faculty and staff April 20, 2011. Also included is his accidental recording of himself and his three friends during their “after party” at Jim Beach’s house. Besides Darnell, the other three in the recording are Jeff Kaatz, LSU vice president of development; Jim Beach, LSU dean of the College of Arts and Sciences; and Gary Bradley, professor of biology. Their conversation begins at 01:21:15 on clip 4. This clip, which Darnell unintentionally recorded and shared online, led to their resignations. (Listen to clips)
