Dr. Robert Young - Author of the PH Miracle

"Dr. Young may be on the threshold of a new biology, whose principle-if proven-could revolutionize the biology and medicine worlds." Neil Solomon, M.D., Ph.D. Former Head of Research for John Hopkins University.

Over the past two and a half decades, Robert O. Young has been widely recognized as one of the top research scientists in the world. Throughout his career, his research has been focused at the cellular level. Having a specialty in cellular nutrition, Dr. Young has devoted his life to researching the true causes of “disease,” subsequently developing "The New Biology" to help people balance their life.

Shelley Redford Young, L.M.T. As an extraordinary lecturer, book author, nutrition and culinary consultant, Shelley Young is a vital part of the heartfelt mission to diminish suffering in the world. Her work provides the practical application of the alkalizing principles contained in the research of her husband, Dr. Robert O. Young. She is also a Licensed Lymphatic Massage Therapist (LMT) and is trained in microscopic procedures. With a deep awareness of the dangers of the present-day acidic diet and its relationship to the epidemic of various diseases such as coronary heart disease, diabetes,
obesity and cancer in both adults and especially children, she is forever looking to find the most creative ways to make an energizing and alkalizing diet more appetizing, delicious and attractive to the masses.

Charlotte Gerson, now 90, is daughter of Dr. Max Gerson and co-founder of the famous Gerson Institute. Charlotte has gained much of her experience from working with those who the medical profession labeled "incurable." Since 1977 this world-famous speaker trains and provides consultation to physicians. For the past 30 years, she has lectured widely all over the U.S., Canada, Mexico, Europe and Australia. She will travel to Lodi, once again, as she teaches the public on how to live a long, healthy life and one that is free of disease.

HEALTH TIP OF THE WEEK

When you cleanse and regenerate the organ systems of the body and eat lots of live foods the miracles happen. Some of the results this BellaVita were the following: Salva came with cancer in the lymph. Her leg was swollen badly and on day 8 it is normal. Swelling gone on her hand and the lump under her arm shrunk in half. Her blood pressure is 94/59 this morning. Adam blood pressure ran 150/90 down to 103/66 on day 8. Off all meds. He lost 10 lbs. Hulusha who is Polish lost 5 lbs. and blood pressure is 96/67. Mike from Serbia lost 16 lbs. in 9 days!! Amazing results and FAST. Why take drugs when God's natural healing program is so effectively fast. Kathy has lost 7 lbs. Blood pressure 170/89 down to 128/87. She came to BellaVita with pain in her knees and hands, and on 6-8 pain medications a day. Her blood pressure dropped considerably, she lost weight, and the pain in her knees improved greatly. She came wearing braces on her hands all night or she would have lots of pain the next morning or her thumbs would be frozen. In ten days, she discontinued her hand braces and woke up with no pain. She also decreased her Norco pain meds to 1 to 2 a day instead of the usual 6-8. She called after BV to give another praise report: She said, "I would get pain in my legs during the night and I took Modern Manna's Nerve formula and the pain quickly left last night. Praise God!"
