Greetings!

I am so excited about the two new health booklets from Modern Manna Ministries that are now available! My goal is to write a library series of health booklets that are beautifully designed and priced right to move thousands. These pocket-size books are the same size of 32-page booklets offered by Amazing Facts and other ministries. I remember the doctrinal series written by the late Joe Crews that many of you are familiar with. These booklets are great witnessing tools. I believe Modern Manna’s series, which covers a number of health related topics, is long overdue.
You are invited to attend a fabulous health program with Danny and Charmaine Vierra in Grass Valley, CA. There will be a special PCRM Childrens Program.

booklets are perfect for handing out to people, and small enough for someone to read in less than an hour. An only $1.00 each or $.75 cents when ordering 25 or more.

Charles Lawson did a wonderful job designing the covers, Greg Solie did an awesome job laying out the content, and Remnant Publishing did a fabulous job printing the booklets. In fact, Remnant was so excited about the new series they bought 2,000 copies to offer to ABCs and churches. I am sure they will spread like leaves in autumn.

So far I have printed two new booklets and a third one on the way. The two now available are Diet of the Most Simple Kind and The Power of Fasting and Prayer. The third one that is near completion is Can Attitude Affect Your Health?

Future booklets I plan to publish are: Five Diets of the Bible, How to Cleanse and Detoxify Your Body, Emergency Herbal Medicine, Preparation for the Final Crisis, Spiritual Digestion and Assimilation, and more.

Here is a sample of the powerful booklet, The Power of Fasting and Prayer:

"One simple fast that is relatively easy to do is the the Lemon/Honey 3-day fast. Mix a quarter cup of fresh lemon juice and a quarter cup of pure, raw honey in a gallon of pure water; shake it well and drink a large glass of the mixture every two hours during your waking hours; consume a gallon of the lemon and honey mixture for three or four days while eating nothing. I find on day four of this fast that my appetite for food subsides. The honey contains glucose to fuel the brain keeping it clear and alert while the lemon alkalinizes the body, cuts mucus, and cleanses the kidneys and liver. For the first three days, you feel the struggle between the mind and body. The stomach may growl, but the mind optimizes in clarity. Through prayer and humbling yourself before God during the fast, you gain incredible spiritual strength like Christ did when He defeated the devil in the wilderness (see Matthew 1:1-11). Fasting and prayer strengthened the Son of God to mentally and spiritually endure the two tests that followed and gain the victories. Prayer and fasting are heaven's dynamic duo against temptation!"
Kind and The Power of Prayer and Fasting, please call us at Modern Manna Ministries. Our number is 209.334.3868. The booklets should also be on our website soon.

If you would like to make a donation to help us publish more booklets, your tax-deductible donation would be greatly appreciated. (DONATE HERE) Thank you for helping us get the health message out! Now we are off to Grass Valley for our Health Extravaganza weekend. We hope to see some of you there.

God Bless You

HEALTH TIP OF THE WEEK

I work out with weights about 5 times a week. Next birthday I will be 59 and still maintaining muscle size and strength. Testosterone levels lower with age, but there are natural products that help increase it. ZMA is made of zinc, mangnesium, and B-6. It's been found to boost anabolic hormone levels (testosterone and insulin-like growth factor 1), improving exercise performance while keeping metabolism in high gear. Tribulus is a herb that stimulates luteinizing hormone production from the anterior pituitary gland, which stimulates testosterone production. I had a custom formula made of 13 herbs called MALE FORMULA that works! You can order it from Modern Manna (209.334.3868).
