Greetings!

As I sat down this morning to write a health article for this week's Elijah Prophecy, I went to a popular website, inforwars.com, to read the latest headlines. Among the bold headlines, I noticed an interview with
Pastor Lindsay Williams and Alex Jones. Years ago, I interviewed Lindsay Williams on my radio show, Healthline, and found his warning messages very timely and much of the content true.

Lindsay does NOT claim to be a prophet, and tells his listening audience, repeatedly, that the information he shares is from elite insiders. I found the interview alarming and very timely to say the least! I do not know if the information is completely true, or even 50% accurate, but I felt moved to share the interview because we should be making preparations now! We do know, beyond a shadow of a doubt, that the last events will be rapid ones!

“The days in which we live are solemn and important. The Spirit of God is gradually but surely being withdrawn from the earth. Plagues and judgments are already falling upon the despisers of the grace of God. The calamities by land and sea, the unsettled state of society, the alarms of war, are portentous. They forecast approaching events of the greatest magnitude. The agencies of evil are combining their forces, and consolidating. They are strengthening for the last great crisis. Great changes are soon to take place in our world, and the final movements will be rapid ones" 9T 11. Notice the reference is 9/11?

We can be certain the Holy Spirit is withdrawing from the earth, and the wicked are becoming more wicked! The Bible warns: “For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places” (Eph. 6:12).

Here are some of the predictions that Lindsay Williams says we can expect 2012 and 2013:

- There will not be a food shortage, but many will go hungry.” Food prices will continue to rise, even double. Purchase your long term food as fast as you can.
- You will continue to see the deterioration of our currency. The dollar will be dead.
- The agenda for 2012 and 2013 is FEAR!
- The want to shut your brain down.
- They want to persuade us that there will be a terrorist attack. There has not been a terrorist attack in the US since 9/11.
- The Federal Reserve will purchase mortgage-
backed securities. They will buy T-Bills at a rate of 40 Billion a month.

- They are holding off the collapse until they can cause massive debt.
- The elite have learned that the American people are not going to revolt, riot, or protest that the Federal Reserve will own your mortgage and sell it to whom they choose.
- Massive Debt is coming!
- Wars will increase in the Middle East, especially Saudi Arabia.
- Crude oil will rise to $150 a barrel, gold to $3,000.
- China, Africa, Chile, Russia, Spain and other countries will no longer use the American dollar for sale and trade of their products.

Friends, we do not have long to wait to see if Lindsay William's predictions come true or not. Nevertheless, we do have the following sure word of prophecy: "The 'time of trouble, such as never was,' is soon to open upon us; and we shall need an experience which we do not now possess and which many are too indolent to obtain. It is often the case that trouble is greater in anticipation than in reality; but this is not true of the crisis before us. The most vivid presentation cannot reach the magnitude of the ordeal. In that time of trial, every soul must stand for himself before God. 'Though Noah, Daniel, and Job' were in the land, 'as I live, saith the Lord God, they shall deliver neither son nor daughter; they shall but deliver their own souls by their righteousness.'" Ezekiel 14:20 (GC 622).

HEALTH TIP OF THE WEEK

Once a Pentecostal minister looked me square in the face & asked: "Why are you a vegetarian?" Smiling back at him I answered: "I know what you are thinking. You think I am trying to eat my way into heaven, right?" "Well, are you?" he said, I smiled & answered: "Brother, I am just getting use to the diet I am going to eat when I get there!" The Bible says: "And there shall be no more death!" Revelation 21:4. I will be enjoying the animals, not barbecuing them! Once a Pentecostal minister looked me square in the face &

"The hygienic system teaches that disease is a remedial effort, a struggle against the vital powers to purify the system and recover the normal state. This effort should be aided, directed, and regulated if need be, but never suppressed. What is this mysterious thing called disease? It is simply an effort to remove obstructing material which we call toxic materials from the organic domain and to repair damages. Diseases is a process of purification and repair. It is remedial action. It is a power struggle to overcome obstructions and to keep the channels of circulation free." Natural Hygiene, The Puristine Way of Life.

“Pure air, sunlight, abstemiousness, rest, exercise, proper diet, the use of water, trust in divine power--these are the true remedies. Every person should have a knowledge of nature’s remedial agencies and how to apply them. It is essential both to understand the principles involved in the treatment of the sick and to have a practical training that will enable one rightly to use this knowledge.” *Ministry of Healing*, p. 127, Ellen G. White. In fact, this prolific author wrote much about the necessity of removing impurities from the body, and supported the Hygienic reform movement.
