Greetings!

The United States of America is changing fast. Our privacies are being violated daily in the name of the Patriot Act, and soon conservative groups will be targeted not only by the IRS, but by the National Security Agency. The National Defensive authorization Act (NDAA) says that an American citizen can be detained indefinitely if he or she is suspected of being a threat to the country. Imagine the day when God’s faithful people, who keep the Commandments of God (Rev. 14:12), being sentenced to imprisonment and even death (see Rev. 13:15) because...
they will not forsake the Law of God and worship the venerable day of the sun!

The last events certainly will be rapid ones. Now is the time for God's faithful ministers to preach a more pointed testimony then that of John the Baptist! "In this fearful time, just before Christ is to come the second time, God's faithful preachers will have to bear a still more pointed testimony than was borne by John the Baptist. A responsible, important work is before them; and those who speak smooth things, God will not acknowledge as His shepherds. A fearful woe is upon them" (1T 321). "With the spirit and power of Elijah he [John] denounced the national corruption, and rebuked the prevailing sins. His words were plain, pointed, and convincing" (DA 104).

And what was the prevailing sin that led to the benumbing of the mind and moral corruption of a nation? "As the days of Noah were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, and knew not until the flood came and took them all away; so shall also the coming of the Son of man be" (Matthew 24:37-39).

"The same sins that brought judgments upon the world in the days of Noah, exist in our day. Men and women now carry their eating and drinking so far that it ends in gluttony and drunkenness. This prevailing sin, the indulgence of perverted appetite, inflamed the passions of men in the days of Noah, and led to widespread corruption. Violence and sin reached to heaven. This moral pollution was finally swept from the earth by means of the flood. The same sins of gluttony and drunkenness benumbed the moral sensibilities of the inhabitants of Sodom, so that crime seemed to be the delight of the men and women of that wicked city. Christ thus warns the world: "Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; but the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all. Even thus shall it be in the day when the Son of man is revealed" (Luke 17:28-30).

With the recent decision of the Supreme Court in the United States of America striking down DOMA (Defense
of Marriage Act) and Proposition 8, gay couples not only will have the right to marry, but will have benefits as well. It is hard to believe that the highest court in the land upheld sodomy, which is defined in *Merriam-Webster's Dictionary* as follows: "Anal sex or oral copulation with a member of the same or opposite sex. It's origin: Middle English, from Anglo-French sodomie, from Late-Latin, sodom sodom; from the homosexual proclivities of the men of the city of Sodom in Genesis 19:1-11."

Former Chief Justice Warren Burger, in 1986, called sodomy a "crime against nature." That is exactly what the Bible calls sodomy and homosexuality in Romans 1: "For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error. ... And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind ... who knowing the judgment of God, that they that commit such things are worthy of death, not only do the same, but have pleasure in the them that do them" (Romans 1:26, 27, 32). The Greek word translated reprobate in the New Testament is adokimos which means literally "unapproved, rejected; by implication worthless (literally or morally)." *The Free Dictionary* - 1. Morally unprincipled; shameless. 2. Rejected by God.

God loves homosexuals, but he will not save them unless they repent and forsake their abominable lifestyle. After all, He made Adam and Eve, not Adam and Steve.

It is hard to believe that churches are celebrating, along with those who promote gay rights, the court's decision. Washington's National Cathedral, Presbyterians, Methodists, and Unitarians are hailing the decision. President Obama applauded the ruling and called the plaintiffs to congratulate them. California's Governor, Jerry Brown, said: County clerks must soon begin issuing marriage licenses to same-sex couples in the wake of the U.S. Supreme Court's ruling on the issue Wednesday" (*Los Angeles Times*, June 26, 2013).

HEALTH TIP OF THE WEEK

Disease is caused by blockages. Blockages in the arteries (atherosclerosis), the colon (constipation), the kidneys and gallbladder (stones), and, of course, negative emotions (blockages in the mind). So eat a high-alkaline, cholesterol-free diet with plenty of fiber to increase elimination. Get lots of exercise to increase circulation, increase oxygen to the cells, and stimulate the lymphatic system, and drink plenty of water to flush the kidneys and bladder. And better yet, choose to be happy today. And if your feeling depressed, do something good for someone else and gain a blessing back. Say a short prayer right now and ask God for His grace--the divine influence in the heart that's reflected in the life. Think of His grace as His spiritual energy! Have a nice day.
