Greetings!

We just returned from Fiji and can report our health meetings and demonstrations were a big success. Hundreds of Fijians and people from other nationalities
attended the evangelistic health series held at the Civic Center in Suva--the largest city in Fiji. I spoke for 18 hours over the course of six days, Charmaine executed an amazing and delicious raw demo to a standing-room only audience, and our children helped with the children’s programs and staffing Modern Manna’s display of DVDs, books, and natural remedy products.

Before I continue, let me tell you that next Sabbath I will be speaking at Southgate SDA Church in Sacramento for Sabbath School and the 11 o’clock service. Then BellaVita starts Sunday, July 21, and the day after the ten-day program ends, Charmaine and I will head to Minnesota for more meetings (details below). We come back home for one day, and then off to Orlando, Florida for ASI.

Tonight I listened to an interview by Pastor Lindsay Williams that startled me. His messages in the past have been eye-opening, to say the least, but this one really urged me to prepare my family for 2014. Lindsay shared how the global financial systems may soon collapse, all at once, and how it will be accomplished. He posted two new emails from the his friends of the global elite warning of the collapse that could strike in months. He received the following two emails on June 20th.

Email #1: "A large Chinese bank just last night ran out of liquidity and was bailed out by the government. Furthermore: The seven-day repo rate, the benchmark rate for funding costs between banks, surged to 12.33% Thursday afternoon from the 8.26% rate at Wednesday’s close. It had averaged around 3.30% this year before the liquidity crunch began at the end of last month. This is
the same phenomenon that occurred globally in September 2008.

Email #2: 'The U.S. market has DECLINED over the past month, the Japanese stock market has recently dropped 20%, the U.S. bond market sold-off, gold (GLD) is down 20% year-to-date (YTD), Chinese stocks (FXI) have fallen 19.66% YTD, emerging markets stocks (EEM) have depreciated 11.3% IN THE LAST MONTH, copper - a premiere asset considered to indicate growth or contraction, has contracted 18% YTD, etc... Investors should not ignore this massive deflation in global markets and assets."

In a telephone conversation last week, Pastor Williams also spoke with his elite friend last Thursday, 13th June 2013, and said, "Some very significant things are happening in the Derivative market and with interest rates and gold, at this time." After pressing the issue he stated, "As for gold - J.P. Morgan announced yesterday that their vault gold has dropped by 28.4% overnight. Nations are demanding physical delivery. Within a month and a half JP Morgan estimates their vault will run out (be empty) Other vaults are probably running out also. WHAT HAPPENS THEN? Startling when supply dries up. This has many of us very concerned. Be sure that everything you own is in your possession. Crash - I don't know. Be ready for a public reaction. Interest rates are the greatest factor controlling the Derivative market. This could be violent".

Information like this can be valuable because it urges us to get our houses in order -- NOW! In this recent interview Lindsay addresses Obamacare as a final step in controlling Americans in 2014, how many doctors are leaving their professions because of the new health care laws under the Obama administration, and how we should get out of paper while the dollar is still relatively strong.

Below is the link where you can listen to this startling interview. Let me preface this by saying I do not agree with all the prophetic statements made by the hosts of this show, nor everything that was shared. But I do know the final events will be rapid ones. Food, shelter, tangible assets, and spiritual preparation are absolutely necessary for all of us at the present time. We all know the crisis is just around the corner. We can be certain that God is holding back the winds of strife until his servants are sealed for the final crisis (see Rev. 7). Maranatha

HEALTH TIP OF THE WEEK

In 1994, the Lord revealed to me that I had gluten intolerance. I was feeling depressed, even suicidal at times, had diarrhea and bloating, brain fog, felt weak and lethargic, and finally diagnosed with MS. As I prayed one last prayer before driving myself to the ER one early morning in desperation, I sat on the toilet to release the liquid stools one more time when I noticed a newsletter entitled "The Gluten Connection" by the late Dr. Lloyd Rosenvold. I read the information in amazement. All my symptoms were listed including MS. I called Dr. Rosenvold and he instructed me to get off all glutenous foods (wheat, rye, oats, and barley), take B-12 injections, and to take an anti-fungal for my secondary problem -- candida albicans. In 72 hours I woke up smiling, happy, and without diarrhea. Praise the Lord for answering my prayer in such a miraculous and life-changing way!
