Greetings!

I want to share two exciting announcements in this week's Elijah Prophecy. First, Owen Burgess and I just finished editing the new healing testimonies video for the July 2013, BellaVita program. We had quite a group in July—from an actress who dated Elvis Presley—to a woman who was a two-time guest on the Oprah Show. Second, we would like to invite you to the special woman’s health retreat weekend, LifeBoat--Life-
Enhancing Support for Women, which will begin next Friday at Southgate SDA Church (see flier below).

Of all the work in ministry the Lord has called me to do over the past 20 years, the healing work at BellaVita is the most rewarding. To see the radical changes in peoples' lives in only ten days is truly the work of the Lord. When you combine juicing, cleansing, emotional healing, and the Word of God, miracles definitely happen.

Susan Schutte, who played the original twin in the original movie The Parent Trap, along side of child-actress, Haley Mills, was thrilled with her healing journey at BellaVita. Susan's testimony in the new video below will touch your heart. Watch as she shares the blessings she received at BellaVita, physically, mentally, and spiritually. It was interesting to hear her story, especially how she starred with and dated the late Elvis Presley. Susan and her husband have joined us the past two Sabbaths at the Southgate SDA Church. She is a very sweet woman who is now following the Gerson Therapy after completing our 30-day incurables program.

Susan Haines, who was a guest on the Oprah Show twice and once on Larry King Live, was another miracle story. Her story is shocking to say the least! Her ex-husband hired a hit-man who shot her in the stomach. Her testimony on forgiveness is so amazing that she was invited to be a guest on the two popular talk shows. She literally forgave her assassin on the Oprah show where the man was sitting beside her. You can hear her testimony at the LIFEBOAT Woman's Retreat, Saturday August 31, at Southgate SDA Church.

At BellaVita, she found another level of forgiveness that God wanted to show her—that of forgiving herself. The epiphany came during my presentation Can Attitude Affect Your Healing where I asked the questions:
* Have you forgiven those that have hurt you?
* Are you harboring any bitterness or anger?
* How do you feel about yourself right now?
* Do you have any self-bitterness or self-hatred in your heart?
* Have you forgiven yourself?

The last question touched her heart in a new way. She realized she had never forgiven herself. It was in the coldsheet treatment that followed that I led her to the Lord for healing her wounded heart. It is a blessing to see a person be set free from emotional pain. We believe the Holy Spirit dwells in the coldsheet room at BellaVita like no other room. We call it the center's Most Holy Place--the place where God works miracles as we seek him through confession and prayer.

James Dentley was another powerhouse who attended July's BellaVita program. James is a well-known Executive Business Coach and Speaker. James is very successful in business, but was very poor in health. He was headed for disaster, and the 10-day program may have saved his life. It was undoubtedly the answer to his prayers. We both knew it was divine appointment. Watch as James shares his amazing testimony and a special poem on the new video below. The video features testimonies from other guests too.

We serve only organic, live foods and juices at BellaVita. We use organic, wild-crafted custom herbal formulas for cleansing the colon, kidneys, bladder, liver, gallbladder, lymph, and blood. We do deep-breathing exercises, aerobic and anaerobic exercises in the fitness center, and serve no grains for the ten days because so many people are gluten intolerant and do not know it. The healing program offers detoxification in the sauna, super-oxygenation in the ozone spa, relaxation in the beautiful swimming pool, gorgeous views, and occasional peacocks. Charmaine’s delicious raw meals add a flavor that is delightful!

Please continue to pray for Charmaine, Daniel, and I and our work at BellaVita Lifestyle Center. We have been blessed with wonderful staff, and we are thrilled that God has provided two new bathrooms. Praise the Lord!

HEALTH TIP OF THE WEEK

To achieve the best health, we must work to heal the whole person--physically, mentally, and spiritually. Physically we must obey God's laws of health: good nutrition, daily exercise, pure water, plenty of sunshine, true temperance (self control), fresh air, rest, and Trust in Divine power. Mentally we must forgive others for hurting us. Forgiveness is the key to freedom. Besides, forgiveness does not set the other person free, it sets you free! If we hate or have anger towards someone, then there is a spiritual problem. If the love of God is in us, we would forgive and love our enemies (Matt. 5:44) just like Christ does. Spiritually, invite Jesus into your heart right now and allow Him to live out His life in you. Love the sinner, but hate the sin. God bless!
