Greetings!

"And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet" (Matt. 24:6).

We are living in serious times. As the world waits to see if President Obama will attack Syria at a time when the majority of Americans oppose his position, 90 million Americans are unemployed and 47 million Americans are on food stamps.

This week I read and listened to many reports on why Obama wants to attack Syria. One trends forecaster,
Gerald Celente, (interview below) suggests it will boost the economy. Another news report says it is about two natural gas pipelines and who will control the wealth. A well known radio conservative talk show host, Michael Savage, points to Israel as the instigator with its eyes on Iran. But there is one thing they all reporters have in common--that our President and government is out of control.

Here are some important links to news and video reports you may want to read and watch.

Yes, we are living in solemn times. Russia, China, the Pope of Rome, and the American people oppose a war in Syria. What will President Obama do? Whatever he decides, the Bible tells us there will be "wars and rumours of wars" right before Jesus comes. Thank God
we have a "sure word of prophecy" (2 Pet. 1:19). And we can be sure that the Lord will deliver His people!

May God be with us all,
Danny Vierra

HEALTH TIP OF THE WEEK

Symptoms of adrenal exhaustion: Dizziness when standing up, frequent bouts of low blood sugar, mood and memory problems, aches and pains in the muscles of upper back, arms and legs, salt and sugar cravings, feeling cold, pollen allergies, food and chemical sensitivities, morning tiredness. Stress is not the only culprit. Regular use of oral, topical, and intranasal cortisone-containing drugs can suppress normal adrenal function. So can drugs like warfarin and heparin. Low sodium levels and dehydration are also potential problems. So get healthy, exercise, drink more water, and avoid stress. Take B-Complex and extra Pantothenic acid (500 mg. twice a day), 1,000 mg. of Vit. C - 3 times a day, and drink a cup of licorice root tea twice daily. And don't forget to ask God to heal you!

This may be a good time to detox your 7 elimination organs of your body. Modern Manna's Bowel Formula #2 can remove radio-active waste! Try our Super Cleanse today! Cleanse with the seasons ... every three months!
