Greetings!

God is blessing Modern Manna in incredible ways. We just graduated 11 students from our RISEN Natural Hygiene School and BellaVegan Raw Food Classes. Now we are ready to launch Modern Manna Media's New Health Library to the world featuring Dr. John McDougall, Dr. Neal Barnard, Charlotte Gerson, T. Colin Campbell, Dr. Russell Blaylock, and other renowned speakers and health educators. Furthermore, Modern Manna's new website will be live in a month, with a new professional and beautiful look. Besides all this, I just finished a new video in our new studio called Is Yoga Safe for Christians?
The interview is with Janice Cleary, a RISEN student and ex-yoga instructor who travelled to India for greater spiritual enlightenment before finding the Lord. Her story is an incredible journey from Catholicism to the New Age and Yoga, then to various charismatic churches, and finally to the true Light, Jesus Christ, and the true health message at RISEN.

You will hear how the New Age and the occult are making inroads into Christianity. These deceptions must be exposed. At our natural hygiene school, we had two students and one guest that were involved with psychics and the occult. Have you ever heard of "angel cards" and "holy" psychic readings?

Please share this new video with as many people as you can. And please pray for us at Modern Manna as we seek to enlighten the world with the health message and the true gospel to the world. Next year in May, our mission will take us to Germany to teach the principles of natural hygiene at AFCOE (Amazing Facts College of Evangelism).

In the next issue of the Elijah Prophecy, we will share the video Victory in St. Louis which we produced years ago with the help of Christian Berdahl. It is the true story about 40 foot-soldiers who travelled to St. Louis and passed out 40,000 copies of Is the Virgin Mary Dead or Alive? when Pope John Paul II met with ex-president Clinton. Unbelievable footage fulfilling Bible prophecy. Stay tuned!
