Greetings!

Imagine 40 non-invasive foot-soldiers highly organized and armed with 60,000 books loaded with present truth and prophecy from Daniel and Revelation. The footage in this video is incredible and inspiring. Victory in St. Louis, which was produced by Christian Berdahl and Modern Manna years ago, is now available on youtube. WARNING: This video may not be for you!

The video presents original footage of Pope John Paul II and ex-president Bill Clinton and their historical meeting in St. Louis. You will be amazed as 100,000 youth and adults file into the Trans World Dome for the largest indoor Roman Catholic mass on American soil. Prior to the mass, thousands of youth
were mesmerized by the blaring rock and roll music and chanted, "J. P. II, we love you." Nuns, priests, bishops, and cardinals waited to see the "Holy Father", and many religious leaders and Protestants, even an ex-SDA Pastor and Jewish Rabbi, came to pay their respect to the pope of Rome.

Friends, **Modern Manna Media** is producing new videos as fast as we can, and next week we will share an interview with a woman who was a psychic and used tarot cards. Hear how God led her out of spiritualism and the occult to the Three Angels Messages of Revelation 14:6-12. Please pray for us as we expose the devices of the enemy.

You will be inspired by **Victory in St. Louis**, so please share it with others. Remember, God has true Christians in every denomination, including the Roman Catholic Church (see *The Great Controversy*, p. 449). Our mission was not to offend or condemn any individual, but to expose what the Bible exposes—a pagan religious system that masquerades as the true church (see Daniel 7 and Revelation 13). This video is about a movement to expose the Man of Sin (II Thess. 2:3), the beast whose deadly wound was healed (Rev. 13:3), and to call people out of spiritual Babylon (Rev. 18:2). Time is short, beloved, for we now have the first Jesuit pope in the Vatican, and very soon "all the world will wonder after the beast" (Revelation 13:2).

Until next week, may God richly bless you.

Danny Vierra

How to Cleanse the Colon Video
HEALTH TIP OF THE WEEK

Now is a good time to prepare for the cold of winter. Drink plenty of pure water every day, get to bed early, and don’t forget to exercise. Try drinking a quart of water and the juice of one or two fresh lemons when you wake up. Antioxidants feed the immune system and keep it healthy and strong, so drink fresh smoothies with lots of colors for breakfast. Drink a couple cloves of chopped garlic mixed in 4 oz. of water every night before bed to ward off colds and viruses. Try to get sunlight whenever possible, and consider extra Vitamin D-3 when the sun does not shine to prevent sickness and the winter blues. Avoid all mucus forming dairy products including ice cream! I like coconut milk ice cream on occasion.
