Greetings!

We are very busy planning Modern Manna's Health and Healing Crusade for 2014. Speakers this year will include: Charlotte Gerson (age 92 - this may be her last appearance in Lodi), Pastor Stephen Bohr, Dr. Tim Reisenberger, Christian Berdahl, Pastor Arthur Branner (his sermon title this year is entitled Healing Broken Homes), and the Vierras. Charmaine and I will be giving a Natural Remedies Workshop and Raw Food Demo Sunday morning, June 15, called Food As Medicine. Modern Manna theme for 2014 is "The Leaves of the Trees are for the Healing of the nations" (Rev. 22:2). Mark your calendars for June 13-15, in Lodi. We are busy, busy, busy. Charmaine and I will be teaching the health message and medical missionary evangelism at AFCOE Europe in Germany this coming week.

In this issue, I want to talk to you about true healing using God's methods. The Bible says: "Bless the LORD, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases; Who redeemeth thy life from destruction; who crowneth thee with lovingkindness and tender mercies" (Ps. 103:2-5). When we practice God's eight laws of health and use natural remedies from His FARMACY, healing miracles happen.

One of the videos we downloaded for you this week shows the amazing transformations that take place using God's Healing Program in only ten day at BellaVita. One woman came to BellaVita with multiple sclerosis and using two walking sticks. When she arrived she could barely walk across the room. But after only 10 days on God's Health Plan, she walked four miles with one stick and rode a bicycle for 12 miles. You will be amazed at her testimony and how God restored her balance after the
doctors told her she would never regain it. God had healed her with His divine prescription.

The FDA requires that you post the following statement when using natural remedies: "These statements have not been approved by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease." I usually add: "Consult your physician." Is the earthly doctor the only one who can treat disease? Can God heal cancer, diabetes, or multiple sclerosis? If Jesus rose the dead, certainly he can heal the dying! I never take credit for a healing at BellaVita, but ALWAYS give glory to God. All we use are legal products like organic raw foods, live juices, organic herbs, hydrotherapy, and the eight laws of health. Everything is from nature and given to us by God.

This week I am giving you two links to two powerful videos about true healing. The first is Terri’s victory over Multiple Sclerosis and others who were healed while doing God’s program. The second message is one I gave called "Where Does True Healing Come From?"

In the first video, please notice the changes in the faces of the guests. We deliberately filmed the video in three sections: Day 1 - when they first arrived for the 10-day cleanse program; Day 5 - the middle of the program; and Day 10 - the last day of the program. The faces tell the story, just as the faces of Daniel and his three friends testified to the superiority of God’s plant food diet and pure water 10-day program while they were captives in Babylon. In fact, it is because of the story in Daniel, chapter 1, that I designed BellaVita’s program for only 10 days. In most cases, 10 days is all a person needs to see amazing results.

God is the True Healer. He is the Master Physician. But in Matthew 10:8, Jesus commanded His disciples to heal the sick and cast out devils. The apostles worked many healing miracles while on earth. In this day and age, if you are not a medical doctor or licensed medical professional, the United States Government can prosecute anyone who recommends supplements or herbs for healing if they "prescribed" the natural remedy without a license. A doctor is allowed to practice medicine using radiation, chemotherapy, and surgery for cancer, but if a natural healer today, like the apostles and the prophets of old, uses a natural remedy on another he could be arrested and prosecuted.

Does or does not Vitamin C prevent and cure scurvy? Can zinc restore the loss of smell (anosmia) and taste (dysguesia)? "People who suffer from a loss of taste sensation may benefit from supplementing with the mineral zinc, reports the Journal of Dental Research (2005;84:35-8). Cells located in the taste buds on the tongue and on the roof of the mouth carry messages to the brain about the taste of different substances. These cells are constantly replaced as they become old or damaged. Taste is also
influenced by the sense of smell. For example, it is difficult to taste foods when the nose is obstructed, as during an episode of the common cold” (Bastyr Center for Natural Health).

Yet, if you tell someone to take zinc tablets to cure their lack of smell or taste or even a cold, you could be arrested for prescribing and practicing medicine without a license. When you have time research SB 577. Not many people know of this Senate Bill. “As of January 1, 2003, California law now recognizes the professional legitimacy of alternative and complementary health care practitioners and healers allowing them, for the first time, to be able to legally provide and advertise their services in California” (www.californiahealthfreedom.com). But according to WebMD Health News, July 19, 2010, the medical site reported: "Just over a year ago, the FDA warned that zinc-containing intranasal cold remedies might cause loss of sense of smell. … Last summer, the FDA warned consumers to stop using three zinc-containing Zicam products: Zicam Cold Remedy Nasal Gel, Zicam Cold Remedy Swabs, and Zicam Cold Remedy Swabs for kids." So who do you believe?

God bless you,

Danny Vierra

Modern Manna’s Super 10-Day Cleanse

This may be a good time to detox the 7 elimination organs of your body. Modern Manna’s Bowel Formula #2 can remove radio-active waste! Cleanse with the seasons every three to six months.

HEALTH TIP OF THE WEEK

Hyssop was used in ceremonies of purification. Hyssop is symbolic
of the cleansing and purifying blood of Christ (Ex. 12:22). Why did God choose Hyssop? Because it was the herb used for purification as in the Passover and the cleansing of the leper. The Hyssop branch was dipped into the blood to symbolize the purifying blood of Christ and applied. It cleanses all 7 elimination organs of the body as Christ purifies us from all sin. We are cleansed from sin by the blood of Christ, and we must cleanse our blood of tox-sins for true healing to take place. “Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow” (Psalm 51:7). Hyssop was the herb of choice to symbolize Christ’s cleansing blood because it does the following:

1. Increases secretions and discharge of the urine - KIDNEYS
2. Helps the excretion of toxins through the pores - SKIN
3. Induces movements of the bowel - COLON
4. Removes catarrh and mucus from bronchial tubes - LUNGS
5. A bitter herb for that cleanses the liver - LIVER
6. Useful for discharging toxins through the lymph - LYMPH
7. Increases circulation of the blood - BLOOD
