Dear Friend,

Many said it was the best Crusade ever! Dr. Tim Riesenberger kicked off this year's health event with an excellent presentation on *Cancer and the Immune System*. In fact, the Crusade was featured on the front page of the local newspaper.
The article included a picture of Charmaine and me on the back of Section A. Praise the Lord for the media exposure. It helped draw people from the community to the local event held each year at the Lodi Grape Festival Grounds. We love reaching people who have never heard the message before. The entering wedge of health widens the entrance for the deeper spiritual truths we hold as Seventh-day Adventists. We want people to see that Jesus has a health message, and when you obey His laws of health, you can live the abundant life. In fact, diseases can be reversed in days when you follow God's healthy lifestyle recommendations.

There were so many highlights this year, and all the speakers did a wonderful job. Dr. Riesenberger’s second message *The Truth That Transforms the World* was outstanding. It was also the number-one
selling DVD at the event. One man said, "I need ten copies of that presentation to share with others."

People were also quickly snatching up my presentations *Leaves for the Healing of the Nations* and *Christian Patriots*. The latter presentation shows the Hegelian Dialectic and how it applies to the demoralization of America. A prophetic message that exposes the devil's ploy to enforce religious laws in this country.

The music by the Southgate SDA Church choir was divine, the food by head chef Scott Higgins was superb, the organization and video production this year was right on, and the backdrop of live plants gave the stage a vibrant appearance and glorified the Creator.

I am providing a link below where you can order the DVDs of the event. I recommend buying the whole set of 13 for only $99.00 (Regular price $130.00), a savings of $31.00. Charmaine's live food demonstration this year was over-the-top. She did a fabulous job and her recipes, including the raw watermelon cake were ingenious. The coconut cream frosting was to die for! So easy and so tasty. Overall, the program was stupendous.

We are looking forward to Crusade 2015, June 26-28, with Ivor Myers, Dr. Tim Riesenberger, Christian Berdahl, and others. Mark your calendars today.

HEALTH TIP OF THE WEEK

To achieve the best health, work to heal the whole person physically, mentally, and spiritually. Physically we must obey God's laws of health - Good nutrition, daily exercise, pure water, plenty of sunshine, true temperance, fresh air, rest, and Trust in Divine power. Mentally we must forgive others for hurting us. Forgiveness is the key to freedom. Besides forgiveness does not set the other person free, it sets you free! If we have hatred or anger towards someone then there is a spiritual problem, for the love of God is not in us or we would forgive and love our enemies like Christ does. Spiritually, invite Jesus into your heart right now and allow Him to live out His life in you. Love the sinner but hate the sin. God bless!
