Dear Friend,

"We have come to a time when every member of the church should take hold of medical missionary work. The world is a lazard
I remember in the early 1990s, I began traveling the country calling people’s attention to health reform and the medical missionary work. There were so many sick people who needed council on how they could prevent and reverse diseases with simple God-given remedies and lifestyle training. Soon the Lord opened the way to have my own radio show, *Healthline*, which aired every week for 15 years on in Stockton, CA.

Vegetarian cooking schools and health lectures became a way of life. With much prayer, we opened a vegan cafe called *Back to Eden* that was very popular. Annually, we started the Health and Healing Crusades in Lodi that featured some of the best natural doctors and health educators in the country. Men and women like Dr. John McDougall, T. Colin Campbell, Dr. Neal Barnard, Dr. Hans Diehl, Charlotte Gerson, Dr. Richard Shultze, Dr. Lorraine Day, and others. From 2000 to 2004, we drew thousands of people to Lodi for the free four-day event. Imagine 80 motor homes, 150 campers, two kitchens serving hundreds of vegan meals, 100 exhibitors, radio and TV advertising, and over 2,500 people the Sabbath alone to learn how to prevent and reverse disease using simple remedies like the 8 laws of health, herbs, and hydrotherapy. I would teach the crowd how to cleanse and detoxify the 7 elimination organs of the body, how to cleanse the gallbladder of gallstones, and how to make simple healing drinks and medicinal herbs.

At the Crusade, we taught lifestyle medicine, juicing, live food recipes, natural healing, herbal medicine, and the importance of God’s 8 laws of health (Nutrition, Exercise, Water, Sunshine, Temperance, Air, Rest, and Trust in Divine Power). We taught the huge crowds who came from all over the country and abroad, that disease is caused by violating the laws of health which leads to toxicity and deficiency. Cancer survivors, like Dr. Lorraine Day, would awe the crowd with stories on how they gained the victory over breast and other cancer using God’s remedies.

Modern Manna is thrilled to offer our new online medical missionary training program. We just filmed a powerful presentation on the school at this year’s Health and Healing Crusade that you can watch by clicking the link below. The message is packed with excellent health information and tips.

Next week, we will offer another new video of Charmaine’s victory over cancer, 11 years ago, following guidelines offered in the RISEN Online School. The video also includes her wonderful raw food demonstration that you won’t want to miss. The audience loved
her and the watermelon cake with coconut cream frosting. So watch for next week’s Elijah Prophecy and Charmaine’s presentation *Food As Medicine*.

HEALTH TIP OF THE WEEK

Can't get moving in the morning without a hefty cup of coffee? The problem might not be your hectic schedule or lack of sleep. You could be suffering from adrenal exhaustion. Recommendations:
Take a good B-Complex Whole food supplement like Unstress by Mega Food 2 times a day, Extra Pantothenic Acid 500 mg twice daily, 1,000 mg Vitamin C three times a day, Licorice root is the most important herb for adrenal exhaustion. Take whole licorice root tea - a cup two times a day. Eat a healthy vegan diet with lots of rainbows or varieties of plants foods. Get plenty of quality sleep. Try Sleep Assure by Natures Plus with melatonin and herbs. It puts you to sleep and keeps you to sleep. Relax before bed by drinking a cup of Sleepytime tea and Calcium/Magnesium that are nature's tranquilizers. God bless!
