Dear Friend,

The video you are about to watch contains three parts. The first is with Christian Berdahl and I sharing how he found the Lord, the Three Angels’ Messages, and the Health Message at Modern Manna’s first Health and Healing Crusades back in the 90s. Next, following a beautiful song sung by Christian is a short question and answer period with Charmaine
about RISEN, our Medical Missionary School, and her battle with breast cancer, 11 years ago, and what she is doing to stay well.

The final segment is the incredible raw demo by Charmaine and the amazing Raw Watermelon Cake with Coconut Cream Frosting. This dessert is both healthy and absolutely beautiful, with the raspberries, blueberries, and strawberries on top.

The raw cake is very easy to make. Your guests will absolutely love it and think you are a genius in the kitchen. After Charmaine's incredible raw demo, the people ran to her table for a taste sample of the refreshing delight.

We are happy to announce that we will be traveling to the UK to share the health message and cooking demos at the Gloucester Seventh-day Adventist Church. The dates are September 2-7. If you live in the area, start telling your friends the Vierra's are coming to light up the country with the health message and the gospel.

On July 16, we will be presenting a Natural Remedies Class on Herbal Medicine at the Southgate SDA Church in Sacramento from 6-8 PM. Admission is free. Our July BellaVita 10-Day Cleanse and Detox program is full, and the guests will be enjoying the fresh peaches, plums, zucchini, basil, eggplant, and tomatoes from the garden. Charmaine makes the best gourmet raw meals for the BellaVita and RISEN programs. More people are signing up for our new online Fundamentals for Natural Hygiene course and the RISEN school in October where they will receive 20 hours of raw instruction with Charmaine in the kitchen and certification as Certified Natural Hygiene Coaches (CNHC). We will be taking only 11 students for this very personalized training (more information below).

It is exciting to see the graduates open their own wellness homes using the natural methods at BellaVita Lifestyle Center. Cleansing and detoxifying the body is critical for recharging the life force and true healing. We teach the students the importance of cleansing the 7 elimination organs and systems of the body for blood purification. The plan of salvation, or spiritual healing, includes both cleansing (1 John 1:9) and regeneration (Titus 3:5), and the same applies to physical healing. We must cleanse the elimination organs and regenerate the cells. We are cleansed by the blood of Christ, and we must cleanse our blood. We can have a new body is less than two years (a new liver in 6 weeks) if we take care ourselves the way we should. Live foods and super nutrition, fresh clean air, daily exercise, plenty of sunlight, good sound rest and sleep, clean pure
water, temperance, and trust in God, these are the true remedies (MH 127).

Modern Manna’s Super 10-Day Cleanse

This may be a good time to detox the 7 elimination organs of your body. Modern Manna’s Bowel Formula #2 can remove radio-active waste! Cleanse with the seasons every
three to six months.

HEALTH TIP OF THE WEEK

Hyssop is symbolic of the cleansing and purifying blood of Christ (Ex. 12:22). Why did God choose Hyssop? Because it was the herb used for purification. It cleanses all 7 elimination organs of the body. 1. Increases secretions and discharge of the urine - KIDNEYS; 2. Helps the excretion of toxins through the pores - SKIN; 3. Induces movements of the bowel - COLON; 4. Removes catarrh and mucus from bronchial tubes - LUNGS; 5. A bitter herb for that cleanses the liver - LIVER; 6. Useful for discharging toxins through the lymph - LYMPH; 7. Increases circulation of the blood - BLOOD. Try drinking some of our Hyssop tea or order our Detox Tea that contains hyssop.
