NATURAL HYGIENE COACH CERTIFICATION
Dear Friend,

The video you are about to watch is a message from my beautiful and talented wife, Charmaine. She does not know I am writing about her today, on my 61st birthday, but I wanted you to know a little more about the special woman God sent me in 2010, when I prayed to God to send me a woman after His own heart. I wanted a miracle and a divine appointment.

Charmaine is totally dedicated to the Lord. She loves God with all her heart and spends each morning studying her Bible, praying to the Almighty, and praising Him for all His blessings. She has four beautiful children, Gaby, Dava, Hannah, and Jonathan, and four grandchildren, Zoe, Isrielle, Etta, and Isle. We have been married three years.

Charmaine worked in health promotion for many years. In the executive world, as a health promotion specialist, and as the health and temperance leader at the Sonora SDA Church for 5 years. She is a certified CHIP instructor, certified with the Physician's Committee for Responsible Medicine, and a certified masseuse. She has her degree in Sports Science with an emphasis in Sports Medicine, and a Master's in Public Administration. She is a Certified Raw Chef, from world-renowned Living Light Culinary School, and the current Executive Chef for BellaVita Lifestyle Center. She is the Administrator for RISEN, our medical missionary school, which is an acronym for Remedial and Integrated School of Evangelism and Naturopathy. She is working with the Northern California Conference program for abused women, and will be speaking at upcoming conferences. She is Program Developer for Modern Manna Ministries, and currently finishing her workbook for her children's health program M.O.R.E - Mom's Organized for Raw Eating. She also developed a program called LifeBoat for co-dependant women. She shares her live food BellaVegan recipes in weekend demos, on Modern Manna's website at www.modernmanna.org, and in the Elijah Prophecy. In fact, in the next few weeks, she will be sharing BellaVegan recipes on video in our weekly newsletter for you to watch and enjoy.

After being single for six years, I prayed and asked God to send me a woman of His own choosing. I figured if God could provide a spouse of His choosing in the story of Rachel and Jacob, then He could provide a woman for me. I was impressed that I would meet "the special woman" at our Health and Healing in 2010. She also had received a promise from God that she would meet "the special man" twelve months after God had shown her He had someone picked out for her. She received my invitation to the crusade exactly 12 months from the date God had shown her.
God is faithful to hear and answer our prayers. He saw two broken people who would make a mighty team for His glory and redeem the time (Eph. 5:16). We are planning an open house at Modern Manna where we will personally guide you through the ministry, TV studio, gymnasium, BellaVita Lifestyle Center, through the gardens and orchard, along the river, and a raw demo and lunch in the main house. We want to get to know you better and share God's vision for the medical missionary work and sanitariums.

“We should ever remember that the efficiency of the medical missionary work is in pointing sin-sick men and women to the Man of Calvary, who taketh away the sin of the world. By beholding Him they will be changed into His likeness. Our object in establishing sanitariums is to encourage the sick and suffering to look to Jesus and live. Let the workers in our medical institutions keep Christ, the Great Physician, constantly before those to whom disease of body and soul has brought discouragement. Point them to the One who can heal both physical and spiritual diseases. Tell them of the One who is touched with the feeling of their infirmities. Encourage them to place themselves in the care of Him who gave His life to make it possible for them to have life eternal. Keep their minds fixed upon the One altogether lovely, the chiefest among ten thousand. Talk of His love; tell of His power to save” (CH 528).

The above quote from Counsels on Health is the heart of Charmaine's message in the video below. Together, at BellaVita Lifestyle Center and at our Natural Healing Workshops that we hold in Churches throughout the world, we are aiming to establish medical missionaries and lifestyle education homes in your area. Please join us in this important work as we prepare for the soon coming of our Lord, Jesus Christ.

Modern Manna Media is growing rapidly and we are in need of a highly-skilled and dedicated audio/video person. Please send inquiries or resumes to danny@modernmanna.org.

Happy Sabbath,
Danny Vierra

HEALTH TIP OF THE WEEK

If you lack energy you might want to avoid wheat. Gary Null said 90% of people he sees are sensitive to wheat. I have gluten intolerance & symptoms are depression, bloating, constipation, irregular heartbeat, muscle twitching, weakened immune function, and feeling like I have a hangover if I eat any gluten, even a few crumbs. There are secondary diseases that gluten can cause like candida albicans. You will not get rid of the secondary problem (candida) unless you address the root cause which may be gluten intolerance. I was diagnosed with MS, but it was GLUTEN INTOLERANCE.
