Greetings!

Have you thought of starting the new year the healthy way? Well how about a 10-Day Cleansing and Regeneration Program at BellaVita Lifestyle Center. We still have room for a few more guests for the January 22-31, 2012 program.

10-Day Program

Kathy came to BellaVita with her husband Cal. She never expected that in the first seven days so many of her ailments would heal from the therapeutic cleansing and regeneration program. What improvements did she notice in the FIRST WEEK:

* Asthma healed
* Sinus infection healed
* Chest congestion healed
* Restless leg syndrome healed
* Carpal tunnel syndrome healed
* Arthritis healed
* Blood pressure dropped from 169/109 to 122/72

Kathy is just one of hundreds of guests who have come to BellaVita and experienced wonderful healing blessings from God. Kathy's
blessing included physical, mental, and spiritual renewal in a very short time. When you cleanse the 7 elimination organs of the body and simultaneously practice God’s eight natural laws of health real miracles can happen. We routinely see blood sugar levels normalize, cholesterol and blood pressures lower, and energy levels increase dramatically. Guests leave revitalized and happy.

Each day Director and Natural Hygiene expert Danny Vierra will teach you how to become a Natural Hygiene Coach so you can help yourself and others. Some of the lessons Danny will teach you are the following: Health and Healing Lessons from the Bible; How to Use Herbs for Medicine; How to Do Water Treatments or Hydrotherapy; How to Cleanse the 7 elimination Organs with Herbs, Juices, and Live Foods; How to Prevent and Reverse Disease without Drugs; How Negative Attitudes Affect Your Health; and How to Have a Healthier Spiritual Life. This Bible-based health program embraces the healing of the whole person using God's natural remedies. You will enjoy the scenic walks, the ozonated jacuzzi, the cedar sauna, the professional massages, the fitness center, the fresh air, sunshine and pure water at this beautiful health oasis. BellaVita’s professional staff will teach you how to enjoy the healthiest lifestyle possible. The difference with our program is we use no grains, all organic and wildcrafted herbs, fresh organic fruits and vegetables, the best supplements when needed, coldsheet treatments, and other natural remedies. The Bible is our Handbook.

BellaVita Serves the Finest Raw Juices and Meals

Charmaine Vierra is the Executive Chef at BellaVita Lifestyle Center. She is a graduate of Living Light Culinary Arts Institute and a 9-year breast cancer survivor. Charmaine teaches raw food preparation in the beautiful kitchen. She teaches knife skills, dehydrating, juicing, how to make delicious live meals and raw desserts. The guest rave about her apple tort and raw lasagna.
