Dear GYC Attendee!

GYC is only 19 days away, and we are so excited to have you join us! We know God has blessings in store, and can’t wait to see how God will use this conference to encourage you and brings others to Christ. **We do have a few important items to note**, however, as you finish last minute plans.

**For those of you that haven’t been able to make a reservation at the hotel**, we would like to let you know who you should contact. Because the online housing reservation site (Passkey) was closed on Dec 8, from now on any changes/reservations/cancelations will have to be made directly through the
hotel. If you would like to make a reservation, please call the Sheraton Hotel directly at 602-262-2500, and let them know you are booking with the GYC group block. **There is very limited availability, so make sure to book your accommodations soon!**

For those who have not registered yet, **online registration closes on the 22nd of December.** Yes, that's only 10 days away! So don't procrastinate and **register now!** Tell your friends, neighbors, family — everyone!

This year, to make it easier for you to find your way from the airport to the convention center, **we will have a GYC welcoming group at the Phoenix Sky Harbor International Airport** between the hours of 11:30AM and 4PM, Wednesday, Dec. 31st. You can look for the GYC t-shirts, flags, and signs when you get there.

**Most of you will probably want to take the Valley Metro from the airport** to the convention center, and the welcoming group will give clear directions and instructions on where to go. We hope to have people at the Valley Metro stations as well. This is a new adventure, so bear with us as we work out the details. If you have any questions, contact **travel@gycweb.org.**

We cannot wait to welcome you to Phoenix!
