City Church Online is a growing success! Figures are changing every week. Since we launched rebroadcasts of our worship service for a global audience in February, we have now received over 2,500 viewings or loads from 50 countries around the globe (from “A”ustralia to “Z”imbabwe)! Make sure to like Facebook’s “City Church Online,” and join in the chat broadcast discussions each week (Wednesdays, Fridays, and Saturdays at http://CityChurch-Online.org), or view archived sermons any time if you weren’t able to make it to church that week!

Online Campus needs volunteers! We’re looking to expand the number of times we broadcast our worship each week--especially to serve people in other time zones. To do this, we need “Chat Hosts”--people who welcome and interact with those in attendance. If you can host once a week or once a month, let us know! Contact Leif Lind, Online Ministry Director: gcconlinedirector@gmail.com.

If you have space to host any of these young people please consider opening your home. Contact Victoria, the church secretary with your name, the number of kids you can accommodate, and the gender preference if any. Thanks so much.

Let us know when you want a visit. Our pastoral staff and elders are anxious to meet with you, pray with you, and support you. Help us help you! Contact the church office and Victoria will work with you to set up a visit. If you are being admitted to a hospital, please let our office know. If you know of another member being admitted, get their permission and let us know as well. Hospitals will not contact us due to their patient privacy guidelines.
