City Church Online is a growing success! Figures are changing every week. Since we launched rebroadcasts of our worship service for a global audience in February, we have now received over 5,000 viewings or loads from 70+ countries around the globe (from “A”ustralia to “Z”imbabwe)! Make sure to like Facebook’s “City Church Online,” and join in the chat broadcast discussions each week (Wednesdays, Fridays, and Saturdays at http://CityChurch-Online.org), or view archived sermons any time if you weren’t able to make it to church that week!

Online Campus needs volunteers! We’re looking to expand the number of times we broadcast our worship each week—especially to serve people in other time zones. To do this, we need “Chat Hosts”—people who welcome and interact with those in attendance. If you can host once a week or once a month, let us know!
