Dr Gonzalez is speaking in Milton from 2.15pm.

This week’s speaker:

Dr Eliezer Gonzalez
Topic: *The Numbers of Love: When One is More than Ninety-Nine*

I never was much good at maths. And if you stick to the rules, there’s a lot to grumble about Jesus’ maths as well. But it’s important to know that for Jesus 1 > 99, especially when you are that one.

**Prayer Requests**

We would love to stand with you in prayer. Submit your Prayer Request on
Our website has changed! We have redeveloped our website to reflect our new branding and added lots of features to help bring the good news of the gospel to you.

Your requests are kept completely anonymous and are only shared among our core team.

If you have any answers to prayer, please share them on that page too.

GNU Prayer Centre

In the Questions Answered section you’ll find some quick answers to some of the most common questions about the Gospel, God and Christianity, as well as all current resources on the website by topic.

The Resources section is where you’ll find resources by type such as audio, video, articles, the magazine and our frequently updated blog. You can also sign up for Daily Devotionals, check out the shop or download a Gospel Fellowship Manual to help if you run or want to start a small group fellowship.

The Global Community section is where you can connect with us and our wider community of affiliates, friends and prayer partners. Find a gospel fellowship near you or start a new one, send your prayer request or praise report or join us in faith for the prayer requests that have come through. You can also help spread the good news by sharing your story / testimony in the Stories section or you can be encouraged by the great stories others have sent in.

If you want to know more about GNU or want to get in touch, see the About section. Here we also share news about GNU’s latest activities and news from our partners overseas seeing God do amazing things.

Finally, if you would like help us and be a part of spreading the good news into all the world, you can donate to GNU or partner with us with regular giving.
